1 EXECUTIVE SUMMARY

Introduction

The following is a brief summary only and is qualified in its entirety by the more detailed information appearing in the body of this Prospectus. Information in this executive summary is not intended to be exhaustive and should always be read in conjunction with the full text of this Prospectus. The information provided in this summary has been updated until and reflects the situation as per the date mentioned on the cover page of this Prospectus.

The Fund, Fund Manager and Legal Owner

The Fund is a fund of funds and will invest in Investment Funds mainly focussed on innovative systematic strategies that invest outside the mainstream markets, and primarily in AHL Shares issued from the AHL Fund. The Fund may also hold cash and cash equivalents.

Privium Fund Management B.V. will act as the manager (*beheerder*) of the Fund and TMF Bewaar B.V. will act as Legal Owner of the assets and liabilities of the Fund. In managing the assets and liabilities of the Fund, the Fund Manager will act solely in the best interests of the Participants. The Legal Owner will be the legal owner of all assets of the Fund and liabilities of the Fund. The Legal Owner will acquire and hold the assets of the Fund and assume the obligations on behalf and for the account of the Participants. The Legal Owner will act solely in the best interests of the Participants.

Investment Objective and Strategy

The Fund's objective is to achieve medium-term capital gains for the Participants. To achieve this, the Fund will primarily invest in AHL Shares issued from the AHL Fund and may acquire interests in other Investment Funds mainly focussed on innovative systematic strategies that invest outside the mainstream markets. The Fund may also hold cash and cash equivalents.

Legal, Tax and Regulatory Aspects

Legal Structure

The Fund is not a legal entity (*rechtspersoon*) but a contractual arrangement *sui generis* between the Fund Manager, the Legal Owner and each of the Participants separately, governing the assets and liabilities acquired or assumed by the Legal Owner for the account and risk of the Participants. The Fund has an open-ended structure. The Fund is governed by the Terms and Conditions. By executing the Subscription Form, a Participant represents and warrants to have reviewed the Terms and Conditions and agrees to be bound thereby. A Participant is admitted to the Fund by the issuance of Participations to the Participant.

The Fund shall have two (2) classes of Participations, Class A Participations and Class B Participations. All Classes provide exposure to the same Investment Objective and Investment Strategy. The sole difference between the different Classes is the currency of the Participations the Participants can subscribe for. Prospective Participants can subscribe for Class A Participations in EUR and for Class B Participations in USD. Because the base currency of the Fund is the Euro, this entails a foreign exchange risk for the holders of the Class B Participations. The Fund Manager intends to hedge foreign

exchange risks. Any profits or losses of currency hedges shall be allocated to the holders of the Class B Participations.

The Participations are redeemable on certain conditions as set forth in this Prospectus and the Terms and Conditions. Participations cannot be transferred, assigned or made subject to any encumbrance.

Tax Aspects

The Fund qualifies as a transparent or “closed” fund for joint account Dutch tax purposes, since Participations can only be transferred to the Fund itself, as a transfer of Participations is not possible. Consequently, the Fund does not qualify as a taxable entity. Tax is therefore levied on the results and revenue of the investment at the level of the Participants and not at the level of the Fund itself. This implies that for Dutch tax purposes the Fund’s results are directly allocated to the individual Participants in accordance with the size (and, if applicable, the duration) of their pro rata investment.

Regulatory Position

Fund Manager is in possession of an AFM license as referred to in article 2:65(a) FSA, and as a consequence may offer the Fund to professional and non-professional investors within the Netherlands. The Fund Manager is subject to conduct of business and prudential supervision by the AFM and DNB.

The AFM license of the Fund Manager has been issued prior to the implementation of the AIFMD in the Netherlands, and was automatically converted into an AIFMD license by the AFM on 22 July 2014, in accordance with the Netherlands AIFMD implementation schedule. This Prospectus is prepared in conformity with the FSA as in force on the date of this Prospectus.

Further information with respect to the regulatory position of the Fund is set forth in Section 5.2 of this Prospectus.

Fund Governance

The Participants will hold meetings when called by the Fund Manager. The Fund Manager shall call a meeting of Participants (i) as often as the Fund Manager deems necessary in the interest of Participants and (ii) in case of one (1) or more Participants holding, in aggregate, at least 25% of the outstanding Participations request the Fund Manager to call such meeting.

Distribution Policy

Any distribution to Participants shall be published on the Fund Manager’s website. Distributions of Net Proceeds will be made in cash.

Minimum Investment, Subscriptions and Redemptions

The minimum subscription amount is EUR 10,000 per Participant for Class A Participations and USD 100,000 for Class B Participations. This minimum subscription amount may be waived by the Fund Manager in its sole discretion.

Section 7 of this Prospectus contains the subscription procedures. The Fund Manager reserves the right to reject an application in whole or in part.

A Participant cannot transfer its Participations but will be able to redeem its Participations upon its request. The Fund Manager may suspend a redemption under certain conditions. Section 8 of this Prospectus contains the redemption procedures.

Website

The Fund Manager's website address is www.priviumfund.com. All references to the Fund Manager's website in this Prospectus are references to the above website.

3 THE INVESTMENT OPPORTUNITY

3.1 Fund Objective and Strategy

3.1.1 Fund Objective

The Fund's objective is to achieve medium-term capital gains for the Participants.

3.1.2 Fund Strategy

To achieve the Fund Objective, the Fund will primarily invest in AHL Shares issued from the AHL Fund and may acquire interests in other Investment Funds established worldwide mainly focussed on similar innovative systematic strategies that invest outside the mainstream markets. The Fund may also hold cash and cash equivalents.

The Fund will be managed in accordance with the Investment Strategy and the Investment Restrictions. The Fund Manager may only deviate from these provisions and change the Investment Strategy by amending this Prospectus and the Terms and Conditions in the way set forth in Section 5.1.5 of this Prospectus.

If the Fund holds investments denominated in currencies other than the Euro, this entails a foreign exchange risk. The Fund Manager may therefore hedge foreign exchange risks if it considers this to be in the interest of the Fund.

3.1.3 Liquidity Risk

The Fund Manager employs an appropriate liquidity risk policy and has adopted procedures which enable it to monitor the liquidity risk of the Fund and to ensure that the liquidity profile of the investments of the Fund complies with their underlying obligations. In particular, the Fund Manager can restrict redemptions on certain conditions as set out in the Terms and Conditions.

As and when relevant, the Fund Manager shall periodically disclose to the Participants by e-mail:

- a) the percentage of the Fund Assets which are subject to special arrangements arising from their illiquid nature;
- b) any new arrangements for managing the liquidity of the Fund; and
- c) the risk profile of the Fund and the risk management systems employed by the Fund Manager to manage those risks.

3.2 Fund Investment Restrictions

3.2.1 Investment Thresholds

Article 4:37(c)(5) FSA contains certain requirements for feeder AIFs within the meaning of article 4.1(m) of the AIFMD. Therefore, the Fund Manager shall not (i) invest 85% or more of the assets of the Fund in units or shares of (a) any one (1) Investment Fund, or (b) more than one (1) Investment Fund where such Investment Funds have identical investment strategies; or (ii) otherwise have an exposure of at least 85% of the assets of the Fund in any one (1) Investment Fund, unless it would believe to still be acting in compliance with article 4:37(c)(5) FSA, for instance if:

- a) following such investment or exposure the Fund shall not fall under the definition of a feeder AIF within the meaning of article 4.1(m) of the AIFMD; or
- b) the competent authorities so confirm.

3.2.2 Borrowings

The Fund Manager is not allowed to lend any of the Fund Assets to a third party or borrow money against such assets, except for bridge financing purposes.

3.3 Investment Objective and Strategy of the AHL Shares

As the Fund will primarily invest in the AHL Shares issued from the AHL Fund, this Section 3.3 describes a summary of the investment strategy and investment restrictions pertaining to such shares.

3.3.1 Investment Objective and Strategy of the AHL Shares

The investment objective of the AHL Shares is to achieve medium-term capital gains. The proceeds from the issue of the AHL Shares will be applied to the AHL Evolution Programme (as summarised below) through investment in various instruments and equity or debt securities, including but not limited to investment in regulated or unregulated collective investment schemes or other pooled vehicle(s) managed by the AHL Manager or its affiliates which form part of the AHL Evolution Programme. AHL Shares may also hold cash or equivalent instruments.

3.3.2 Summary of the AHL Evolution Programme

The AHL Manager manages the AHL Evolution Programme which employs sophisticated computerised processes to identify inefficiencies in markets around the world. Trading signals are generated and executed via a finely tuned trading and implementation infrastructure. This process is quantitative and primarily directional in nature, meaning that investment decisions are entirely driven by mathematical models based on market trends and other historical relationships. It is underpinned by rigorous risk control, ongoing research, diversification and the constant quest for efficiency.

The cornerstone of the investment philosophy is that financial markets exhibit persistent trends and other inefficiencies. Trends are a manifestation of serial correlation in financial markets – the phenomenon whereby past price movements influence future price behaviour. Although they vary in their intensity, duration and frequency, price trends are universally recurrent across all sectors and markets. Trends are an attractive focus for active trading styles applied across a diverse range of global markets.

Trading takes place around-the-clock and real-time price information is used to respond to price moves across a range of global markets. The AHL Evolution Programme invests in a varied portfolio of instruments including, but not limited to, futures, options, forward contracts, swaps, CFDs, cash bonds, cash equities and other financial derivatives both on and off exchange. These markets may be accessed directly or indirectly and include, without limitation, stocks, bonds, debt, currencies, credit and energies.

3.4 Investment Restrictions of AHL Shares

As at the date of this Prospectus, there are no restrictions on the value of the gross assets of the AHL Shares which may be invested in: (i) any particular instrument or equity or debt security or exposed to any regulated or unregulated collective investment scheme or other pooled vehicle(s); or (ii) cash or any cash management arrangements. The directors of AHL (Cayman) SPC may in their absolute discretion from time to time impose such investment restrictions as shall be compatible with the investment objectives of the AHL Shares or otherwise in the best interests of the investors.

4 RISK FACTORS

4.1 Introduction

An investment in the Fund carries a high degree of risk. There can be no assurance that the Fund will achieve its Fund Objective or that the respective investment policies of Investee Funds' investment policy will be successful. The value of the Fund's investments and the Participations may fall as well as rise and returns on past investments are no guarantee as to the returns on future investments. Accordingly, Participants may lose all or part of their investment in the Fund. An investment in the Fund requires the financial ability and willingness to accept for an indefinite period of time the risk and lack of liquidity inherent in the Fund. Due to the Investment Strategy, the value of Fund Assets can strongly fluctuate. Potential participants should consider, among others, the non-exhaustive list of risks mentioned below, review this Prospectus and its ancillary documents carefully and in their entirety, consult with their professional advisors and conduct and subsequently rely upon their own investigation of risk factors associated with the proposed investment. Participants should realize that the existence and occurrence of certain risks may contribute to the existence and occurrence of other risks.

4.2 Risks Relating to the Fund

Performance

The Fund's results will largely depend upon the performance of Investee Funds.

Cash Weighting

The AHL Fund has a minimum initial subscription requirement in the EUR equivalent amount of USD 1,000,000 and a minimum additional subscription requirement in the amount of at least the EUR equivalent amount of USD 100,000. Other Investee Funds might also have such minimum subscription requirements. Therefore, the Fund might have a higher cash weighting than anticipated for a period of time during which a minimum subscription requirement at the level of an Investee Fund has not yet been met by the Fund.

Segregation of Portfolios

It is not intended to segregate the assets and liabilities relating to any Class.

Economic Environment

In the current economic environment, there are increased risks of financial institutions on which the Fund is dependent for its operation or investment returns to fail, be bankrupted or subject to government seizure or nationalization.

Foreign Exchange Risk

The Net Asset Value of the Participations may be affected by exchange rate fluctuations. Because the base currency of the Fund is the Euro, this entails a foreign exchange risk for the holders of the Class B Participations. The Fund Manager intends to hedge foreign exchange risks. Any profits or losses of currency hedges shall be allocated to the holders of the Class B Participations.

Counterparty Risk

The Fund will be subject to the risk of the inability or refusal of payment or clearing institutions, principals or other service providers or other counterparties to its transactions, to perform or to perform in time under such services or transactions. Any such failure, refusal or delay, whether due to insolvency, bankruptcy or other causes, could subject the Fund to substantial losses. It is expected that the Fund will seek to mitigate these risks by reviewing the creditworthiness and reliability of all service providers and counterparties and only entering into transactions with those parties that the Fund believes to be creditworthy and reliable.

Inflation

Due to inflation, the relative value of Participations may decline. The Fund will not specifically hedge inflation risk or take other measures to mitigate this specific risk.

Concentration of Investments

It is in the aim of the Fund to mostly hold Investee Funds Interests. Consequently the Fund Assets may be subject to and experience greater risk and market fluctuation than a fund that has investments representing a broader range of investment alternatives. The Fund could be subject to significant losses if Investee Funds Interests decline in value or are otherwise adversely affected. Lack of liquidity may aggravate such losses significantly. In addition, it may not always be possible to dispose of Investee Funds Interests without incurring significant losses. Potential profits may not always be immediately realisable and may therefore be lost prior to realisation.

Lack of Operating History

The Fund is a recently established entity and there is limited operating history to evaluate the future performance of the Fund.

Changing Legislation

The regulatory and tax environment for investment funds in general as well as certain financial instruments and other types of investments are evolving and changes therein may adversely affect both the Fund's ability to pursue its investment strategies and the value of its Fund Assets. The effect of any future regulatory or tax change on the Fund is impossible to predict. The fiscal status of the Fund may change during the term of the Fund. The Participants are urged to seek fiscal advice before participating in the Fund.

Unclear Legislation

Unclear rules and regulations and conflicting advice may result in a breach of rules and regulations applicable to the Fund. Resulting fines and other sanctions and possible damage to the reputation of the Fund, the Fund Manager and other connected persons may result in a negative impact on the Net Asset Value of the Fund and the Participations.

Illiquidity of Participations

Participations cannot be transferred.

Participations may not be registered under any securities laws. There is no public market for the Participations and none is expected to develop. Under certain circumstances as set out in Section 8 of this Prospectus, the Fund Manager may suspend the redemption of Participations.

Limited Rights of Participants

The Fund Manager has exclusive authority for managing all operations of the Fund. Participants cannot exercise any management or control functions with respect to the Fund's operations, although they have limited voting rights in certain organisational respects as set forth in the Terms and Conditions.

Indemnification

Under the Terms and Conditions, the Fund Manager and the Legal Owner are entitled to be indemnified out of Fund assets against costs, losses and expenses which they may incur or become liable in connection with the execution of their duties. In addition, the Delegate, the Administrator and other service providers also are entitled to indemnity under the terms of their respective agreements for services. These obligations could require substantial indemnification payments out of the Fund Assets.

Redemption Risk and Restrictions

The Fund is an open-ended fund and Participations may be redeemed at the request of a Participant in accordance with the restrictions of Section 8 of this Prospectus and the applicable terms of the Terms and Conditions. Accordingly, there can be no guarantee that the Redemption Price reflects the Net Asset Value per Participation as at the date of the Redemption Notice. The Fund Manager may further suspend the redemption of Participations if: (i) a state of affairs exists which constitutes a state of emergency as a result of which the sale of Fund Assets would, in the sole opinion of the Fund Manager, not be practical or would negatively affect the rights of other Participants; (ii) the Participant did not act in compliance with applicable legislation or the Terms and Conditions; (iii) for whatever reason, the valuation of Fund Assets or Fund Obligations to be sold cannot be promptly or accurately ascertained; or (iv) relevant exchanges are not open for business or the sale of Fund Assets is otherwise restricted or suspended. Redemptions may cause the Fund to dispose of assets in order to meet its redemption obligations earlier than anticipated or under less favourable market conditions than the Fund would otherwise have disposed of such assets. This may result in a lower Net Asset Value of the Fund generating lower or negative returns for the non-redeeming Participants. Significant redemptions may lead to significant losses to Participants, which remain invested in the Fund.

General Political Factors

Investment results may be adversely affected by developments in countries in which the Fund Assets or counterparties are located. This may result in a partial or complete loss by the Fund as a result of the breakdown of the country's financial system. Such developments include, without limitation: war; civil unrest, ranging from protests to civil war; changes in the political situation and/or government of a country; acts of terrorism; expropriation and creeping expropriation; and inability to transfer moneys cross-border or convert moneys to hard currency.

4.3 General Risks Associated with Investments in Investee Funds

The risks similar to those cited with respect to the Fund might also apply to Investee Funds in addition to the specific risks which might be applicable to Investee Funds, such as:

Market risk

An Investee Fund may make investments in markets that are volatile and/or which may become illiquid. Accordingly, the ability of an Investee Fund to respond to market movements may be impaired, which may result in significant losses to such Investee Fund.

A public exchange typically has the right to suspend or limit trading in all securities that it lists. Such a suspension could render it impossible for an Investee Fund to liquidate its positions and thereby exposes it to losses. In addition, there is no guarantee that markets will remain liquid enough for an Investee Fund to close out positions.

Cash Management

Investee Funds may enter into arrangements by which cash not required for trading purposes will be managed by the investment managers. Such arrangements may include the entry into repurchase or reverse repurchase transactions and other cash management arrangements, including holding cash in bank accounts or secured or unsecured deposits, or investing such cash in corporate or government bonds, or such other instruments as deemed appropriate by the investment manager.

A repurchase transaction involves the sale of securities by a seller to a buyer for a purchase price, and an agreement for the seller to repurchase such securities on a mutually agreed future date for the same purchase price, plus interest at a negotiated rate. From the perspective of the buyer, the transaction is referred to as a reverse repurchase transaction, and involves buying securities against payment of a cash price, with the buyer agreeing to resell the securities at a future date, and the original seller agreeing to repurchase such securities at the same price, plus interest at a negotiated rate. Such transactions are economically equivalent to a cash loan collateralised by the securities.

The use of repurchase and reverse repurchase agreements involves certain risks. For example, if the seller of securities under a reverse repurchase transaction defaults on its obligation to repurchase the underlying securities, as a result of its bankruptcy or otherwise, the Investee Funds seek to dispose of such securities, which action could involve costs or delays. The Investee Funds may suffer a loss to the extent that the proceeds from the disposal of the underlying securities are less than the repurchase price due from the defaulting seller.

Discretion of Investment Managers; Strategies, Instruments and Techniques

The investment managers have discretion in the types of financial instruments which they may trade and have the right to modify the trading strategies, instruments or hedging techniques. Any of these new trading techniques may not be thoroughly tested in the market before being employed and may have operational or theoretical shortcomings which could result in unsuccessful trades and, ultimately, losses to the companies. In addition, any new investment strategy, choice of instruments or hedging technique may be more speculative than earlier techniques and may increase the risk of an investment.

Short Selling

Short selling involves selling securities which are not owned by the short seller, and borrowing them for delivery to the purchaser, with an obligation to replace the borrowed securities at a later date. Short selling allows the seller to profit from a decline in market price to the extent such decline exceeds the transaction costs and the costs of borrowing the securities. The extent to which an Investee Fund engages in short sales will depend upon the investment manager's investment strategy and opportunities. A short sale creates the risk of a theoretically unlimited loss, in that the price of the underlying security could theoretically increase without limit, thus increasing the cost to an Investee Fund of buying those securities to cover the short position. There can be no assurance that an Investee Fund will be able to maintain the ability to borrow securities sold short. In such cases, an Investee Fund can be "bought in" (i.e., forced to repurchase securities in the open market to return to the lender). There also can be no assurance that the securities necessary to cover a short position will be available for purchase at or near prices quoted in the market. Purchasing securities to close out a short position can itself cause the price of the securities to rise further, thereby exacerbating the loss.

Equities

An Investee Fund may invest in equity securities and equity derivatives. The value of these financial instruments generally will vary with the performance of the issuer and movements in the equity markets. As a result, such Investee Fund may suffer losses if it invests in equity instruments of issuers whose performance diverges from the investment manager's expectations or if equity markets generally move in a single direction and the Investee Fund has not hedged against such a general move. An Investee Fund also may be exposed to risks that issuers will not fulfil contractual obligations such as, in the case of convertible securities, delivering marketable common stock upon conversions of convertible securities and registering restricted securities for public resale.

Futures

The value of futures depends upon the price of the financial instruments, such as commodities, underlying them. The prices of futures are highly volatile, and price movements of futures contracts can be influenced by, among other things, interest rates, changing supply and demand relationships, trade, fiscal, monetary and exchange control programmes and policies of governments, and national and international political and economic events and policies. In addition, investments in futures are also subject to the risk of the failure of any of the exchanges on which an Investee Fund 's positions trade or of its clearinghouses or counterparties.

Futures positions may be illiquid because certain commodity exchanges limit fluctuations in certain futures contract prices during a single day by regulations referred to as "daily price fluctuation limits" or "daily limits". Under such daily limits, during a single trading day no trades may be executed at prices beyond the daily limits. Once the price of a particular futures contract has increased or decreased by an amount equal to the daily limit, positions in that contract can neither be taken nor liquidated unless traders are willing to effect trades at or within the limit. This could prevent an Investee Fund from promptly liquidating unfavourable positions and subject an Investee Fund to substantial losses or prevent it from entering into desired trades. In extraordinary circumstances, a

futures exchange or other regulator could suspend trading in a particular futures contract, or order liquidation or settlement of all open positions in such contract.

The price of stock index futures contracts may not correlate perfectly with the movement in the underlying stock index because of certain market distortions. First, all participants in the futures market are subject to margin deposit and maintenance requirements. Rather than meeting additional margin deposit requirements, shareholders may close futures contracts through offsetting transactions that would distort the normal relationship between the index and futures markets. Secondly, from the point of view of speculators, the deposit requirements in the futures market are less onerous than margin requirements in the securities market. Therefore, increased participation by speculators in the futures market also may cause price distortions. Successful use of stock index futures contracts by an Investee Fund is also subject to the investment manager's ability to correctly predict movements in the direction of the market.

Forward contracts

An Investee Fund may make use of forward contracts. Forward contracts are transactions involving an obligation to purchase or sell a specific instrument or entitlement at a future date at a specified price. Forward contracts may be used by an Investee Fund for hedging purposes, such as to protect against uncertainty in the level of future foreign currency exchange rates. Forward contracts may also be used to attempt to protect the value of Investee Fund's existing holdings of securities held in currencies other than the base currency of an Investee Fund. As is the case for any attempt at hedging downside risk, there is a risk that there is an imperfect correlation between the value of the securities and the forward contracts entered into with respect to those holdings resulting in an unprotected loss. Forward contracts may also be used for investment, non-hedging purposes to pursue Investee Fund's investment objective, for example where it is anticipated that a particular currency will appreciate or depreciate in value.

Forward contracts and options thereon, unlike futures contracts, are generally not traded on exchanges and are not standardised; rather, banks and dealers act as principals in these markets, negotiating each transaction on an individual basis. However, certain forward currency exchange contracts are regulated as swaps by the CFTC and have begun being voluntarily traded on swap execution facilities. To the extent an Investee Fund is treated as a US Person or if Investee Fund's swap counterparty is a US person (for the purposes of the CFTC's swap regulations), some of these contracts may be required to be centrally cleared by a regulated US clearinghouse, and may be required to be traded on regulated exchanges in the future. Interbank forward and "cash" trading is substantially unregulated; there is no limitation on daily price movements and speculative position limits are not applicable. As in the case of a futures contract, a forward usually only requires a much smaller amount of margin to be provided relative to the economic exposure which the forward contract provides to the relevant investment; it creates a 'gearing' or 'leverage' effect. This means that a small margin payment can lead to enhanced losses as well as enhanced gains. It also means that a relatively small movement in the underlying instrument can lead to a much greater proportional movement in the value of the forward contract. The principals who deal in the interbank forward markets are not required to continue to make markets in the currencies or commodities they trade, and these markets can experience periods of illiquidity, sometimes of significant duration. There have been periods

during which certain participants in these markets have refused to quote prices for certain currencies or commodities or have quoted prices with an unusually wide spread between the price at which they were prepared to buy and that at which they were prepared to sell. Disruptions can occur in forward markets, particularly the currency markets, due to unusually high trading volume, political intervention, market dislocations, unanticipated third country events affecting the underlying asset, unscheduled holidays and market closures or other factors. The imposition of controls by governmental authorities might also limit such forward trading to less than that which the investment manager would otherwise recommend, to the possible detriment of an Investee Fund. Market illiquidity or disruption could result in major losses to an Investee Fund.

Derivative Instruments Generally

An Investee Fund may enter into derivative instruments, such as credit derivatives. It may take advantage of opportunities with respect to certain derivative instruments that are not presently contemplated for use or that are currently not available, but that may be developed, to the extent such opportunities are both consistent with the investment objective of an Investee Fund and legally permissible. Special risks may apply to instruments that are invested in by an Investee Fund in the future that cannot be determined at this time or until such instruments are developed or invested in by an Investee Fund. For example, risks with respect to credit derivatives may include determining whether an event will trigger payment under the contract and whether such payment will offset the loss or payment due under another instrument. In the past, buyers and sellers of credit derivatives have found that a trigger event in one contract may not match the trigger event in another contract, exposing the buyer or the seller to further risk. Other swaps, options, and other derivative instruments may be subject to various types of risks, including market risk, regulatory risk, tax risk, liquidity risk, the risk of non-performance by the counterparty, including risks relating to the financial soundness and creditworthiness of the counterparty, legal risk, and operations risk. Where an Investee Fund invests in derivatives such as futures or forwards that are linked to commodities, there is a risk that, were there to be an error in closing out the relevant position in time, an Investee Fund might be required to take physical delivery of such commodities, or arrange for another party to take delivery on short notice, with resulting additional costs. In addition, as new derivative instruments are developed, documentation may not be standardised, leading to potential disputes or misunderstanding with counterparties. The regulatory and tax environment for derivative instruments in which an Investee Fund may participate is evolving, and changes in the regulation or taxation of such financial instruments may have a material adverse effect on an Investee Fund.

Options

An Investee Fund may incur risks associated with the sale and purchase of call options and/or put options.

The seller (writer) of a call option, which is covered (i.e., the writer holds the underlying security), assumes the risk of a decline in the market price of the underlying security below the purchase price of the underlying security less the premium received, and gives up the opportunity for gain on the underlying security above the exercise price of the option. The seller of an uncovered call option assumes the risk of a theoretically unlimited increase in the market price of the underlying security above the exercise price of the option. The securities necessary to satisfy the exercise of an uncovered

call option may be unavailable for purchase, except at much higher prices, thereby reducing or eliminating the value of the premium. Purchasing securities to cover the exercise of an uncovered call option can cause the price of the securities to increase, thereby exacerbating the loss. The buyer of a call option assumes the risk of losing its entire premium investment in the call option.

The seller (writer) of a put option which is covered (i.e., the writer has a short position in the underlying security) assumes the risk of an increase in the market price of the underlying security above the sales price (in establishing the short position) of the underlying security plus the premium received, and gives up the opportunity for gain on the underlying security if the market price falls below the exercise price of the option. The seller of an uncovered put option assumes the risk of a decline in the market price of the underlying security below the exercise price of the option. The buyer of a put option assumes the risk of losing its entire investment in the put option.

Exchange Traded Funds

An Investee Fund may invest in exchange traded funds (“ETFs”), which are shares of publicly-traded unit investment trusts, open-end funds, or depository receipts that seek to track the performance and dividend yield of specific indexes or companies in related industries. These indexes may be either broad-based, sector, or international. However, ETF trades like common stock and represents a fixed portfolio of securities designed to track a particular market index. The risks of owning an ETF shareholders are generally reflect subject to the same risk as holders of owning the underlying securities they are designed to track, although lack of liquidity in an ETF could result in it being more volatile. . ETFs are also subject to other certain additional risks, including, without limitation: (a) the risk that their prices may not correlate perfectly with changes in the prices of the underlying securities they are designed to track;, and (b) the risk of possible trading in an ETF halting in an ETF due to market conditions or other reasons that, in, based on the view policies of the exchange upon which an ETF trades, would make trading in the ETF inadvisable. An exchange-traded sector fund may also be adversely affected by the performance of that specific sector or group of industries on which it is based. trades. In addition, an Investee Fund may bear, along with other shareholders of an ETF, its pro rata portion of the ETF's expenses, including management fees. Accordingly, in addition to bearing their proportionate share of the Investee Fund 's expenses (e.g., the management fee and operating expenses), shareholders may also indirectly bear similar expenses of an ETF, which can have a material adverse effect on the return on capital of the Investee Fund.

4.4 Risks Relating to the Fund Manager

Due to the insolvency, negligence or fraudulent actions of the Fund Manager, its officers or employees or third parties used for the custody of assets of the Fund, the value of Participations may decline.

4.5 Risks Relating to the Legal Owner and the Depositary

Due to the insolvency, negligence or fraudulent actions of the Legal Owner and/or the Depositary, their officers or employees or third parties used for the custody of assets of the Fund, the value of Participations may decline and the Fund Assets may be lost.

4.6 Risks Relating to Conflicts of Interests

Other Clients

The Fund Manager and/or Affiliates of the Fund Manager may or will manage or advise clients other than the Fund. The Legal Owner may or will hold the legal ownership of assets other than the Fund Assets. There can be no assurance that such services do not conflict with the interests of the Fund. Although the Fund Manager and the Legal Owner intend to manage potential and actual conflicts of interest issues in good faith in compliance with the Fund's conflicts of interests policy, there can be no assurance that such conflicts of interest may be resolved in the best interests of the Fund should they arise.

Transactions with the Fund Manager and its Affiliates

The Fund Manager and its Affiliates may engage in certain related party transactions with the Fund. The Fund Manager and/or the Affiliates of the Fund Manager concerned will in such cases expect to receive a certain transaction consideration. Although the Fund Manager intends to manage potential and actual conflicts of interest issues in good faith in compliance with the Fund's conflicts of interests policy, such arrangements could present incentives for the Fund Manager and its Affiliates adverse to the interests of the Fund.

Diverse Participants

Participants may have conflicting investment, tax and other interests with respect to their investments in the Fund. The conflicting interests may relate to, among other things, the nature of Fund Assets, the structuring of Fund Assets and the timing of disposition of Fund Assets. As a consequence, conflicts of interest may arise in connection with decisions made by the Fund Manager that may be more beneficial for one Participant than for another Participant, especially with respect to Participant's individual tax situations. The Fund Manager will consider the investment, tax and other interests of the Fund and its Participants as a whole, not the investment, tax or other interests of any Participant individually.

The foregoing factors are not exhaustive and do not purport to be a complete explanation of all the risks and considerations involved in investing in the Fund. In particular, the Fund's performance may be affected by changes in market conditions, and legal, regulatory and tax requirements. The Fund will be responsible for paying the fees, charges and expenses referred to in this document regardless of the level of profitability.

Potential Participants who are in any doubt as to the risks involved in investing in the Fund are recommended to obtain independent financial advice before making an investment.

5 LEGAL AND REGULATORY STRUCTURE OF THE FUND

5.1 Legal Structure of the Fund

5.1.1 Legal Form

The Fund is an open ended investment fund (*beleggingsfonds*) as referred to in article 1:1 FSA and a fund for joint account (*fonds voor gemene rekening*) organised and established under the laws of the Netherlands.

Under Dutch law, the Fund is neither a legal entity (*rechtspersoon*) nor a partnership, commercial partnership or limited partnership (*maatschap, vennootschap onder firma or commanditaire vennootschap*), but a contractual arrangement *sui generis* between the Fund Manager, the Legal Owner and each of the Participants separately, governing the assets and liabilities acquired or assumed by the Legal Owner for the account and risk of the Participants. In view of its legal form of fund for joint account the Fund is not eligible for registration in the Trade Register (*handelsregister*) of the Netherlands.

The Fund's office address is that of the Fund Manager, being Gustav Mahlerplein 3, 26th floor, Financial Offices, 1082 MS Amsterdam, the Netherlands.

The Fund will be managed by the Fund Manager. The Participants have no proprietary rights with respect to the assets of the Fund. The Legal Owner is the legal owner of all assets of the Fund. The Legal Owner will acquire and hold the assets for the purpose of management and custody (*ten titel van beheer en bewaring*) on behalf of and for the account of the Participants. Such interest of the Participants is represented by the Participations held by each of them.

The Legal Owner will grant a power of attorney to the Fund Manager under the Terms and Conditions to manage (*beheren*) the Fund Assets in accordance with the Terms and Conditions.

5.1.2 Establishment, Term and Termination of the Fund

The Fund is established as of the first issue of a Participation and shall continue to exist for an indeterminate period of time. The Fund shall terminate upon the occurrence of any of the events set forth in article 24.1 of the Terms and Conditions.

5.1.3 Classes of Participations

The Fund shall have two (2) classes of Participations, Class A Participations and Class B Participations. All Classes provide exposure to the same Investment Objective and Investment Strategy. The sole difference between the different Classes is the currency of the Participations the Participants can subscribe for. Prospective Participants can subscribe for Class A Participations in EUR and for Class B Participations in USD. Because the base currency of the Fund is the Euro, this entails a foreign exchange risk for the holders of the Class B Participations. The Fund Manager intends to hedge foreign exchange risks. Any profits or losses of currency hedges shall be allocated to the holders of the Class B Participations.

There are no specific legal or economic links between the Fund or the Fund Manager on the one hand, and Participants subscribing for any particular Class on the other hand.

Each Participation belonging to a specific Class, with respect to the other Participations of such Class, represents an equal interest in the Net Asset Value without priority or preference of one over the other.

5.1.4 Liquidation

Upon termination of the Fund, no further business shall be conducted except for such action necessary for the winding up of the affairs of the Fund. The balance left after the liquidation shall be paid in cash to the Participants (pro rata to the numbers of Participations held by them, against cancellation of these Participations).

5.1.5 Key Fund Documents, Governing Law and Jurisdiction

The key documents governing the Fund (the “**Fund Documents**”) will be:

- a) the Terms and Conditions which are attached hereto as **Schedule 1**. The Terms and Conditions represent the key organisational document of the Fund and amongst others set forth the agreement between the Fund Manager and the Legal Owner concerning the management and custody on behalf of the Fund;
- b) the Legal Ownership Agreement which is attached hereto as **Schedule 4**;
- c) this Prospectus; and
- d) the Subscription Form.

The Fund Documents will be governed by Dutch law. The competent court in Amsterdam, the Netherlands will have exclusive jurisdiction to settle any claims, actions or disputes arising out or in connection with the Fund Documents (subject to appeal as provided by law).

A final judgment obtained in a court of any Member State of the European Union and which is enforceable in such Member State will be recognized and enforced by the courts of the Netherlands without re-trial or re-examination of the merits:

- a) on the basis of and subject to the limitations imposed by the Council Regulation (EC) No 44/2001 of 22 December 2000 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (as amended); and
- b) subject to limitations imposed by Regulation (EC) No. 805/2004 of the European Parliament and of the Council of 21 April 2004 creating a European Enforcement Order for uncontested claims (as amended) and the rules and regulations promulgated pursuant thereto.

5.1.6 Amendment of the Prospectus and the Terms and Conditions

The Terms and Conditions and this Prospectus may be amended pursuant to a joint resolution of the Legal Owner and the Fund Manager.

A proposed amendment to the Terms and Conditions or this Prospectus shall be published on the website of the Fund Manager. In addition, an explanation to the proposed amendments will be published on the website of the Fund Manager.

Notice of amendments made will also be made on the website of the Fund Manager. In addition, an explanation to the amendments will be published on the website of the Fund Manager.

An amendment of the Prospectus or the Terms and Conditions causing a reduction in Participants' rights or security, imposing costs on the Participants or causing a change to the Investment Strategy does not become effective in relation to the Participants until one (1) month following the date on which such notification has been published on the Fund Manager's website. Participants have the right to redeem their Participations within this period following the date on which such notification has been disclosed.

5.1.7 *Amendment of the Prospectuses of Investee Funds*

The Fund Manager shall notify the Participants of any material amendment to the prospectus of any Investee Fund to which 50% or more of the assets of the Fund are allocated. Notice of amendments made will be made on the website of the Fund Manager. If an amendment to the prospectus of such Investee Fund (indirectly) causes a reduction in Participants' rights or security or (indirectly) imposes costs on the Participants, Participants have the right to redeem their Participations within one (1) month following the notification.

5.2 *Regulatory Position of the Fund and Supervision*

5.2.1 *Existing position*

The Fund Manager is in possession of an AFM license as referred to in article 2:65(a) FSA, and as a consequence may offer the Fund to professional and non-professional investors within the Netherlands. The Fund Manager is subject to conduct of business and prudential supervision by the AFM and DNB.

The AFM license of the Fund Manager has been issued prior to the implementation of the AIFMD in the Netherlands, and was automatically converted into an AIFMD license by the AFM on 22 July 2014, in accordance with the Netherlands AIFMD implementation schedule. This Prospectus is prepared in conformity with the FSA as in force on the date of this Prospectus.

5.2.2 *Regulatory changes*

The regulatory environment for investment funds continues to evolve. In the light hereof, during the existence of the Fund, additional and/or amended legislation and regulations affecting the Fund, the Fund Manager, the Legal Owner, the Depositary and the Administrator may come into force.

The Legal Owner and the Fund Manager may amend the Fund Documents if the Legal Owner and the Fund Manager reasonably determine that a regulatory change has a material adverse effect on the Fund and/or the Legal Owner and/or the Fund Manager, such that (i) the material adverse effect of the applicable change is removed or mitigated, and (ii) the Fund shall bear its reasonable allocable portion of the costs in relation to the implementation of and compliance with the change (it being understood such allocation is in principle determined on the basis of the number of funds managed by the Fund Manager that fall within the scope of such change).

5.2.3 *Professional liability risks*

To cover potential professional liability risks resulting from activities the Fund Manager carries out with respect to the Fund, the Fund Manager holds a professional indemnity insurance against liability arising from professional negligence which is appropriate to the risks covered.

5.3 **AHL Fund Structure**

AHL (Cayman) SPC is a Cayman Islands segregated portfolio company incorporated on 11 October 2012. The AHL Fund is currently the only segregated portfolio of AHL (Cayman) SPC. However, AHL (Cayman) SPC is able to create additional segregated portfolios.

AHL (Cayman) SPC has its legal seat in Cayman Islands, which is not a “designated state” (*aangewezen staat*) pursuant to article 2:66 FSA. AHL (Cayman) SPC is not subject to supervision by the AFM and DNB.

AHL (Cayman) SPC is regulated as a mutual fund under section 4(3) the Mutual Funds Law (2013 Revision) of the Cayman Islands ("**Mutual Funds Law**"). The Cayman Islands Monetary Authority (the "**Authority**") has supervisory and enforcement powers to ensure compliance with the Mutual Funds Law. AHL (Cayman) SPC will not be subject to supervision in respect of its investment activities or the constitution of AHL (Cayman) SPC's portfolio by the Authority or any other governmental authority in the Cayman Islands, although the Authority does have power to investigate the activities of AHL (Cayman) SPC in certain circumstances. Neither the Authority nor any other governmental authority in the Cayman Islands has commented upon or approved the terms or merits of this document or the offering documents of AHL (Cayman) SPC. There is no investment compensation scheme available to investors in the Cayman Islands.

The Authority may take certain actions if it is satisfied that a regulated mutual fund is or is likely to become unable to meet its obligations as they fall due or is carrying on or is attempting to carry on business or is winding up its business voluntarily in a manner that is prejudicial to its investors or creditors. The powers of the Authority include the power to require the substitution of directors, to appoint a person to advise AHL (Cayman) SPC on the proper conduct of its affairs or to appoint a person to assume control of the affairs of AHL (Cayman) SPC. There are other remedies available to the Authority including the ability to apply to court for approval of other actions.

AHL Partners LLP has been appointed as investment manager of AHL (Cayman) SPC. The AHL Manager is responsible for advising on the investments of AHL (Cayman) SPC and has discretionary authority to invest the same in accordance with the investment objective, investment strategies and investment restrictions.

7 ADMISSION TO THE FUND AND SUBSCRIPTIONS

7.1 Subscriptions

7.1.1 Conditions

On any Subscription Date, provided the requirements of the Terms and Conditions have been met, the Fund Manager may, at its sole discretion, issue Participations at the request of a new or existing Participant set forth in a Subscription Form. The Participations shall be issued in Amsterdam, the Netherlands. All Participants shall be treated fairly by the Fund Manager and no Participant shall obtain preferential treatment.

7.1.2 Subscription Price and Subscription Costs

The Subscription Price of a Participation is equal to the Net Asset Value per Participation as at the Valuation Date immediately preceding the applicable Subscription Date. The Total Subscription Price is the applicable Subscription Price multiplied by the number of issued Participations. The minimum Total Subscription Price is EUR 10,000 per Participant for Class A Participations and USD 100,000 per Participant for Class B Participations. This minimum subscription amount may be waived by the Fund Manager in its sole discretion.

The closing date is a date on which the Fund Manager accepted the first subscriptions (the “**Closing Date**”). Up to and including the Closing Date, Participations are offered at a price of EUR 100 per Participation. After the Closing Date, the Participations are offered at a price based on Net Asset Value per Participation as at the Valuation Date immediately preceding the applicable Subscription Date.

In order to determine the total amount due by the subscriber to the Fund in consideration for the issuance of Participations (the Total Subscription Amount), the Total Subscription Price might be increased by a surcharge equal to the amount of the surcharge levied at the level of the relevant Investee Fund (the “**Investee Fund Surcharge**”), in the event a surcharge is levied at the level of the relevant Investee Fund.

In case a Participant has paid an amount exceeding the Total Subscription Amount, this amount will be repaid to the Participant.

The Investee Fund Surcharge serves to compensate the Fund for the surcharge levied at the level of the relevant Investee Fund and shall be for the benefit of the Fund.

7.1.3 Procedure

Applications for Participations must be made by submitting a duly signed and completed Subscription Form to the Administrator at least ten (10) Business Days before the relevant Subscription Date as per which the applicant wishes to receive Participations.

Payment of the Total Subscription Amount must be received in Euro or in USD in the bank account of the Legal Owner as specified in the Subscription Form at least ten (10) Business Days before the relevant Subscription Date as per which the applicant wishes to receive Participations (please refer to the Subscription Form for further payment details and instructions).

If either (i) the signed and completed Subscription Form, or (ii) the Total Subscription Amount has not been received timely, no Participations will be issued and the application shall be retained until the next Subscription Date (for the avoidance of doubt, no interest shall be due). In that case, the Net Asset Value per Participation on that Subscription Date shall be the basis for the determination of the Subscription Price for any Participations issued as per that Subscription Date, subject to receipt of (i) and (ii).

The Fund Manager may decide, at its sole discretion, to (i) accept Subscription Forms which are not received timely (but not later than on the Valuation Date immediately preceding the relevant Subscription Date) and (ii) accept an application for Participations in case of overdue payment, provided that the Total Subscription Amount has been received on the Business Day prior to the relevant Subscription Date.

The Fund Manager reserves the right to accept or reject any application in whole or in part at its absolute discretion. When an application is rejected, the amount paid on application or the balance thereof (as the case may be) will be returned (without interest) as soon as practicable.

Completed applications are irrevocable once the relevant Subscription Form has been received by the Administrator and the Total Subscription amount has been received in the bank account of the Legal Owner. Upon issuance of the Participations in satisfaction of an application, the Administrator will confirm the number and value of the Participations so issued. For the avoidance of doubt, the Participations subscribed to prior to the Closing Date, shall be issued on the Closing Date.

The AHL Fund has a minimum initial subscription requirement in the EUR equivalent amount of USD 1,000,000 and a minimum additional subscription requirement in the amount of at least the EUR equivalent amount of USD 100,000. Other Investee Funds might also have such minimum subscription requirements. Therefore, the Fund Manager may in its sole discretion warehouse and hold in cash the relevant Total Subscription Amounts for a period of time during which a minimum subscription requirement at the level of an Investee Fund has not yet been met by the Fund. For the avoidance of doubt, during such period all fees described in Section 9 of this Prospectus (including the Management Fee) shall continue to be payable out of the Fund Assets.

7.2 Participant Representations and Warranties and Prevention of Money Laundering

7.2.1 Representations and Warranties

The Subscription Form requires each applicant for Participations to make certain representations and warranties to the Legal Owner and the Fund Manager.

Persons subscribing on behalf of others, such as nominees, securities giro's and feeder and custody entities, will need to represent to the Fund Manager and the Legal Owner in an addendum to the Subscription Form certain additional representations, including but not limited to compliance with know your customer (KYC) and anti-money laundering (AML) rules.

7.2.2 Prevention of Money Laundering and Financing of Terrorism

Measures aimed at the prevention of money laundering and financing of terrorism will require each applicant for Participations to evidence its identity to the Administrator (“KYC requirements”). The

procedure used by the Administrator is stated in the Subscription Form and is compliant with the Dutch Act on the prevention of money laundering and financing of terrorism (*Wet ter voorkoming van witwassen en financieren van terrorisme*) summarized in **Schedule 3** attached hereto.

The Administrator reserves the right to request such other information as is necessary to verify the identity of an applicant. Pending the provision of evidence satisfactory to the Administrator as to the identity, the evidence of title in respect of interests may be retained at the absolute discretion of the Administrator. If, within a reasonable period of time following a request for verification of identity, the Administrator has not received evidence satisfactory to it as mentioned above, the Fund Manager may, in its absolute discretion, refuse to allot the Participations applied for in which event the subscription proceeds will be returned without interest and/or less any other costs incurred by the Fund relating to the transaction of the applicant to the account from which such proceeds were originally debited.

In the event that changes in KYC requirements occur either in policy or in legislation after an investor's have been allotted, investors will be obliged to provide additional KYC documentation to satisfy such changed requirements within a reasonable period of time following a request for such additional documentation. Any investor who does not or cannot provide the additional KYC documentation may be forcibly redeemed from the Fund in accordance with the mandatory redemption provisions as set forth in the Terms and Conditions.

Investors should be aware that the Total Subscription Amount (minus the surcharges) will be at risk once it has been invested in the Fund. An investor's failure to comply with applicable KYC requirements may result in the return of an amount lower than the Total Subscription Amount.

8 TRANSFER AND REDEMPTION OF PARTICIPATIONS

8.1 Introduction

Participations are not listed on a regulated stock exchange nor does the intention exist to apply for such listing in the foreseeable future. No developed unregulated market for Participations exists and no party has been instructed by the Fund or the Fund Manager to maintain a market for Participations. A transfer of Participations is not possible. Though the Fund is in principle obliged to redeem Participations at the request of a Participant, the Fund will under circumstances not be able and/or not obliged to do so.

Participations therefore might be a less liquid investment as expected by a Participant and (prospective) Participants should take into account that under circumstances they cannot liquidate such numbers of their Participations at such moments as they intend to.

8.2 Transfer of Participations

A Participant cannot transfer such Participant's Participations.

8.3 Redemption of Participations at the Request of a Participant

On any Redemption Date, provided the requirements of the Terms and Conditions have been met and redemption of Participations is not suspended in accordance with Article 8.3.3, the Fund Manager will redeem Participations at the request of a Participant sent in writing to the Administrator.

The Fund Assets will be sufficiently liquid to, under normal circumstances, allow the Fund to redeem Participations as requested by its Participants for at least 10% of the assets managed.

8.3.1 *Redemption Price and Costs of Redemption*

The redemption price of a Participation is equal to the Net Asset Value per Participation as at the Valuation Date immediately preceding the Redemption Date on which the relevant Participant is redeemed. The Total Redemption Price is the applicable redemption price multiplied by the number of redeemed Participations.

In order to determine the net amount due by the Fund to a Participant in consideration for the redemption of Participations (the Total Redemption Amount), the Total Redemption Price might be reduced by a discount equal to the amount of the charge levied at the level of the relevant Investee Fund (the "**Investee Fund Discount**"), in the event a charge is levied at the level of the relevant Investee Fund.

The Investee Fund Discount serves to compensate the Fund for the charge levied at the level of the relevant Investee Fund and shall be for the benefit of the Fund.

8.3.2 *Procedure*

Applications for the redemption of Participations should be submitted to the Administrator by means of a duly signed Redemption Notice specifying the details of the redemption at least ten (10) Business Days before the relevant Redemption Date. Redemption Notices are irrevocable once received by the Administrator.

If the Redemption Notice has not been received timely, the application shall be retained until the next Redemption Date. In that case, the Net Asset Value per Participation as at the Valuation Date immediately preceding that next Redemption Date shall be the basis for the determination of the Redemption Price for any Participations redeemed as per that Redemption Date.

The Fund Manager may decide, at its sole discretion, to accept Redemption Notices which are not received timely (but not later than on the relevant Redemption Date).

The Total Redemption Amount will normally be paid to the redeeming Participant within eleven (11) Business Days after the release of the Net Asset Value of the applicable Redemption Date, provided that the Fund has received the redemption proceeds from the relevant Investee Fund, unless exceptional circumstances occur, in which case the consideration will be paid at the earliest possible Business Day thereafter.

In the case the Administrator has not received all the requested KYC requirements, even though the redemption request will be processed, redemption proceeds will be held in the name of the redeeming Participant at the Fund's bank account without any interest accruing in favour of the Participant and the Participant will bear all associated risks until such time as the Administrator receives the outstanding KYC requirements.

8.3.3 *Suspension of Redemption*

The Fund Manager may suspend the redemption of Participations if:

- a) the determination of the Net Asset Value has been suspended (see Section 10.2); or
- b) for whatever reason, the redemption of the Investee Funds Interests is suspended at the level of the relevant Investee Fund.

8.4 *Mandatory Redemption of Participations*

The Fund Manager and the Legal Owner shall under certain extraordinary circumstances as set forth in the Terms and Conditions and with due regard to the general provisions and conditions relating to redemption of Participations be entitled to redeem all (but not part of) the Participations of any Participant.

9 COSTS AND EXPENSES

9.1 Introduction

In this Section 9 all costs and expenses related to the organisation, management and transactions of the Fund which will be paid by or charged to the Fund and accordingly result in a reduction of the Fund's Net Asset Value are described.

This Section does not refer to costs and fees charged to the Participants by the Fund upon a subscription for or redemption of Participations (for these costs and fees see Sections 7 and 8) or by their own service providers in connection with an envisaged investment in or divestment from the Fund (like fees and costs charged to a Participant by its advisors, banks or brokers).

All costs referred to in this Section will be allocated to the period to which they relate. Unless indicated otherwise, all costs will be brought at the charge of the Fund's profit and loss account.

All amounts and percentages mentioned in this Section 9 are exclusive of Dutch or foreign value added tax (VAT), if due. Under present legislation, the Fund cannot deduct VAT charged to the Fund.

9.2 Cost Categories

9.2.1 *Transaction costs*

Transaction costs amongst others include all costs of sourcing, evaluating, making, holding or disposing of Fund Assets, including, but not limited to, finders' fees, brokerage fees, (other) transaction costs and expenses and interest on investment-related borrowings. All transaction costs shall be borne by the Fund and be brought at the charge of the Fund's profit and loss account.

The Fund Manager will select transactional service providers on the basis of various considerations, like quality, promptness of performance of services and fee rates. Fee rates may not exceed market standard rates. The total amount of transaction costs from time to time is variable and depends on the number and size of transactions and applicable rates.

9.2.2 *Fund Operational Costs*

Fund operational costs amongst others include, but are not limited to all costs of legal, tax, administrative, accounting, audit, reporting, legal ownership and similar services and advices provided to the Fund and all costs of communications with and meetings of the Participants. This also includes costs for the Fund's website.

The Fund will pay to the Legal Owner in remuneration of its service to the Fund, limited to the holding of the legal ownership of Fund Assets, a fee equal to EUR 12,500 (excluding VAT). Any additional services, related to the holding of legal ownership of Fund Assets or otherwise, will be rendered on a time spent basis and charged to the Fund in accordance with the Legal Ownership Agreement.

The Fund will pay to the Depositary in remuneration of its service to the Fund, limited to AIFMD depositary duties, an annual fee equal to EUR 16,500 and there has been a one off on boarding fee of EUR 3,000 (excluding VAT and office surcharge) when the Fund commenced operations.

The Fund will pay the Administrator in remuneration for its services to the Fund, an annual fee based on the month-end Net Asset Value, as set forth in the following sliding scale, subject to a minimum annual fee of EUR 15,000 (excluding VAT, if applicable) for monthly Net Asset Value production:

<u>AUM (in EUR million)</u>	<u>bps</u>
<u>0-30</u>	<u>8</u>
<u>30-50</u>	<u>6</u>
<u>50-100</u>	<u>4</u>
<u>>100</u>	<u>2</u>

The Fund will pay to Ernst & Young in remuneration of its service to the Fund, an audit fee equal to EUR 10,900. Prospectus updates will be charged in the fee range of € 1,500-€ 2,500 depending on the complexity of the changes.

All operational costs shall be borne by the Fund and be brought at the charge of the Fund's profit and loss account.

9.2.3 **Management Fee**

The Fund Manager is entitled to an annual Management Fee equal to 0.55% of the Net Asset Value excluding (i.e. before deduction of) the Management Fee, as at the last calendar day of each month, with a minimum of EUR 50,000 per annum, payable monthly in arrears out of the Fund Assets. Any changes to the Management Fee are subject to the prior approval of the Fund Manager and the Legal Owner.

For the avoidance of doubt the Fund shall not bear the cost of remunerating any employee of the Fund Manager or any of its Affiliates or any office rental, utilities or office equipment or other overhead or travel costs of any of their respective personnel, it being acknowledged that the Management Fee is intended to compensate the Fund Manager for such costs.

9.2.4 **Delegation Fee**

The Delegate is entitled to an annual advisory fee payable by the Fund Manager out of the Management Fee. No delegation fees are directly borne by the Fund.

9.2.5 **Organisational Expenses**

The Fund will bear its own organisational and establishment costs. Expenses in connection with the establishment of the Fund and organisational costs of the Fund, will be paid out of the Fund Assets, including (but not limited to) legal, accounting and tax advisory fees, research costs, incorporation expenses and travel costs.

Establishment costs (set-up costs) amounted to EUR 20,000 as reimbursement for the costs incurred by the Fund Manager and effort of the Fund Manager in connection with the formation of the Fund and EUR 25,000 for legal and tax advisory fees shall be activated and written off over a period of five (5) years.

9.2.6 *Expenses attributable to the Class B Participations*

Because the base currency of the Fund is the Euro, this entails a foreign exchange risk for the holders of the Class B Participations. The Fund Manager intends to hedge foreign exchange risks. Any profits or losses of currency hedges shall be allocated to the holders of the Class B Participations. The main costs of currency hedging depend on the spreads between USD and EUR interest rates, it is possible that the costs of currency hedging are negative (i.e. lead to a better performance for the Class B Participations).

9.2.7 *Ongoing Charges Figure*

The ongoing charges figure (OCF) is the total amount of the costs of the Fund incurred in a year - except for transaction costs, interest costs and costs related to the issue and redemption of Participations that are chargeable to the net assets of the Fund - expressed as a percentage of the Fund's average Net Asset Value for the year concerned. The OCF will be calculated at the end of each financial year and published annually in the Fund's annual reports.

The below table illustrates the expected OCF of the Fund:

<i>Ongoing Charges Figure estimation (based on Euro 43 million AUM)</i>	
<i>Investment Management</i>	<i>0.55%</i>
<i>Administrator</i>	<i>0.07%</i>
<i>Depositary and Legal Owner</i>	<i>0.08%</i>
<i>Audit</i>	<i>0.03%</i>
<i>Set-up costs</i>	<i>0.03%</i>
<i>Other expenses</i>	<i>0.04%</i>
<i>Windmill Trend Evolution Fund Level</i>	<i>0.80%</i>
<i>Investee fund level (incl. performance fee)</i>	<i>3.37%</i>
<i>Total (incl. performance fee)</i>	<i>4.17%</i>

As at June 30 2017, the OCF was 0.80%. This only includes the OCF of the Windmill Trend Evolution Fund. As at June 30, 2017, the OCF at the Investee fund level was 3.37%.

9.2.8 *Costs Related to Investments in the AHL Fund*

Costs related to investments in the AHL Fund include the subscription price for AHL Shares.

In respect of the AHL Shares, a management fee will be calculated and charged as at each valuation day and paid monthly at a rate of up to 2% per annum of the net asset value of the AHL Shares calculated for the relevant period (prior to the deduction of the management and performance fee (if any)).

In respect of each performance period a performance fee will be calculated on a share by share basis at a rate of 20.00% of any net new appreciation in the net asset value per AHL Share (before accrual of the performance fee). Performance fees in respect of the AHL Shares will normally be payable

annually in arrears at the end of each performance period. However, in the case of shares redeemed during a performance period, any accrued performance fee in respect of those shares is payable upon the availability of the final calculation of the net asset value per share in respect of the relevant dealing day on which such AHL Shares are redeemed.

In respect of the AHL Shares, the following fees, other than the management fee and the performance fee, might be charged: a company secretarial services fee, the Cayman Islands annual company registration government fees and CIMA annual registration fees, custody fees, listing, auditing and legal costs, directors fees and expenses and expenses associated with the preparation, printing and distribution costs of the periodic and annual reports and statements, a services management fee payable to the services manager, costs and brokerage commissions associated with trading transactions. In implementing the investment strategies, allocations may be made by a number of methods, including investment funds, managed accounts and other investment vehicles. Accordingly, further fees and expenses are likely to be incurred at the level of such investment funds, managed accounts and other investment vehicles.

Subscription price for AHL Shares shall be borne by the Fund and be brought at the charge of the Fund's profit and loss account. Other costs related to investments in the AHL Fund shall be paid out of the AHL Fund's assets.

9.2.9 *Costs Related to Investments in Other Investee Funds*

Costs related to investments in other Investee Funds include the subscription price for Investee Funds Interests. In addition, the following fixed and variable fees and costs may be charged at the level of the Investee Funds: management fee, performance fee, custodian and administrative fees, advisory fees, organizational expenses, agency fees, transaction costs, operational costs, etc.

Subscription price for Investee Funds Interests shall be borne by the Fund and be brought at the charge of the Fund's profit and loss account. Other costs related to investments in Investee Funds shall be paid out of such relevant Investee Fund's assets.

10 VALUATION, REPORTING AND INFORMATION DISCLOSURE

10.1 Valuation Principles

The Fund Manager shall value the Fund Assets and Fund Obligations in accordance with Dutch GAAP and, where more specific, certain valuation methods set forth in the Terms and Conditions, whilst Dutch GAAP will prevail for financial reporting purposes should there be a conflict between the two.

The Investee Funds Interests shall be valued on the basis of the latest available valuation of Investee Funds Interests provided by the administrators of the relevant Investee Funds, as further set forth in the Terms and Conditions. The Fund Manager has delegated the calculation of the Net Asset Value to the Administrator. To ensure valuations received from administrators of the Investee Funds are appropriate, valuations are reviewed by the Fund Manager (or the Administrator), based on the previous valuation received and other relevant information. Valuations that deviate materially from the previous valuation are further analyzed and if needed discussed with the manager or administrator of the relevant Investee Fund.

10.2 Reporting to Participants

10.2.1 *Financial year*

The financial year of the Fund shall begin on the first day of July and end on the thirtieth day of June of the next calendar year. The first financial year of the Fund began on the Closing Date and ended on the thirtieth day of June 2015.

10.2.2 *Reporting on Net Asset Value*

Subject to certain exception grounds set forth in the Terms and Conditions, the Fund Manager shall as per each Valuation Date determine the Net Asset Value, the Net Asset Value per Class and the Net Asset Value per Participation. The Net Asset Value of Class A Participations shall be expressed in Euro and the Net Asset Value of Class B Participations shall be expressed in USD and be determined in accordance with the Fund's valuation principles referred to above.

The Fund Manager has delegated the determination of the Net Asset Value and the Net Asset Value per Participation to the Administrator. In determining the Net Asset Value of the Fund and the Net Asset Value per Participation, the Administrator will follow the valuation policies and procedures adopted by the Fund as set out above. If and to the extent that the Fund Manager is responsible for or otherwise involved in the pricing of any of the Fund's portfolio securities or other assets, the Administrator may accept, use and rely on such prices in determining the Net Asset Value of the Fund and shall not be liable to the Fund, any Participant in the Fund, the Fund Manager or any other person in so doing.

The Fund Manager may declare a suspension of the determination of the Net Asset Value and the Net Asset Value per Participation:

- (a) if the price of securities in which the Fund is directly or indirectly invested is suspended (for instance because a stock exchange on which Fund Assets are listed, or on which securities which belong to the assets of a collective investment scheme in which the Fund is invested are listed

- directly or indirectly, are closed on other days than normal days of closure or if the transactions on these exchanges are suspended or subject to irregular restrictions);
- (b) if the communication means or calculation facilities normally used to determine the Net Asset Value no longer function or if, for any other reason, the value of a Fund Asset or Fund Obligation, cannot be determined with the speed or accuracy desired by the Fund Manager;
 - (c) if there are factors relating to the political, economic, military or monetary situation that make it impossible for the Fund Manager to determine the Net Asset Value; or
 - (d) if a resolution to liquidate the Fund is passed.

When the Fund Manager is unable to determine the Net Asset Value and the Net Asset Value per Participation, the Participants will be informed hereof.

In case of errors in the calculation of the Net Asset Value, the Fund Manager will as soon as possible prepare a report on the errors that were made and which correction will need to be made to the Net Asset Value. If a correction is required of more than 2% of the Net Asset Value, and a Participant incurred a loss by an allocation or redemption against the erroneously calculated Net Asset Value, the Fund will at the request of such Participant provide compensation (in cash or in Participations) for the relevant Participant for the actual loss incurred. The compensation will be paid out of the Fund Assets.

Within ten (10) Business Days following the calculation of the Net Asset Value a statement on the Net Asset Value of the Fund as per the Valuation Date shall be published on the Fund Manager's website.

10.2.3 Annual and Semi-annual Reporting

Within six (6) months after the end of each financial year of the Fund, Fund Manager shall, in accordance with the applicable legal requirements, prepare and publish the Fund's annual accounts (consisting of at least a balance sheet, profit and loss account and explanatory notes), annual report and other information for such financial year.

Within nine (9) weeks after the end of the first half of the financial year, the Fund Manager shall draw up a semi-annual report and financial statements concerning this period.

The annual accounts and the semi-annual report shall be drawn up in accordance with the applicable provisions of Title 9 of Book 2 of the Dutch Civil Code and published on the Fund Manager's website.

The Fund Manager will provide the Participants upon request and free of charge with copies of the annual accounts, annual report and semi-annual report, notwithstanding their compliance with other publication requirements under applicable laws.

10.2.4 Other Information

The license provided to the Fund Manager pursuant to article 2:65 FSA and the Terms and Conditions shall be available for inspection at the office of the Fund Manager. A copy of the Terms and Conditions and of the Legal Ownership Agreement shall be provided by the Fund Manager upon request free of charge and shall be published on the Fund Manager's website. A copy of the Fund Manager's license and the Depositary Agreement shall be provided by the Fund Manager upon request at cost price.

Information regarding the Fund Manager, the Legal Owner and the Depositary from the Trade Register of the Netherlands shall be provided by the Fund Manager upon request at cost price.

A copy of the monthly report published on the Fund Manager's website containing information on the total value of the Fund's investments, the amount of outstanding participations, Net Asset Value and composition of the investment portfolio shall be provided by the Fund Manager upon request at cost price.

10.2.5 Information Regarding Investee Funds

An administrator of the AHL Fund shall monthly determine the net asset value of the AHL Fund and within six (6) months after the end of each financial year of the AHL Fund, in accordance with the applicable legal requirements, prepare the AHL Fund's annual accounts audited by a chartered accountant.

The Fund Manager shall on behalf of the Fund, in its capacity of the holder of Investee Funds Interests, be entitled to receive and/or inspect documents which Investee Funds shall make available for the holders of interests in such Investee Funds. The Fund Manager may upon request and with the prior consent of the investment manager of the relevant Investee Fund provide certain information related to the Investee Funds in units or shares of which 20% or more of the assets of the Fund are invested to Participants at cost price.

10.2.6 Historical Performance, Latest Annual Report and Net Asset Value of the Fund

The historical performance of the Fund and the latest Net Asset Value per Participation as at the date of this Prospectus are set forth in **Schedule 5** attached hereto. The Fund Manager will provide prospective investors with the latest annual report of the Fund, the historical performance of the Fund and the latest Net Asset Value per Participation, as applicable, prior to their investment in the Fund.

10.3 Independent Auditor

Ernst & Young Accountants LLP has been appointed as independent auditor of the Fund. Ernst & Young Accountants LLP is a member of the Netherlands Institute of Chartered Accountants and are under supervision of the AFM based on the Audit Profession Act (*Wet toezicht accountantsorganisaties*).

10.4 The U.S. Foreign Account Tax Compliance Act

Under the U.S. Foreign Account Tax Compliance Act ("**FATCA**"), the United States will impose a withholding tax of 30 per cent on certain U.S. sourced gross amounts not effectively connected with a U.S. trade or business paid to certain "Foreign Financial Institutions", including the Fund, unless some information reporting requirements are complied with

The Fund will use reasonable efforts to satisfy any obligations imposed on it in order to avoid the imposition of this withholding tax (except with respect to the interest of "recalcitrant account holders" as described in §1.1471-5(g)(2) of the Foreign Account Tax Compliance Act). A fund's ability to satisfy its obligations under an agreement with the U.S. Internal Revenue Service ("**IRS**") will depend on each participant of such fund providing the fund with any information, including information concerning the direct or indirect owners of such participant, that the fund determines is necessary to satisfy such

obligations. Any such information provided to a fund will be shared either with the local tax authority or the IRS, depending on the Model of the Intergovernmental Agreement. An investment fund that is classified as subject to FATCA requirements will be required to register with the IRS and obtain a Global Intermediary Identification Number (“**GIIN**”) and agree to have policies and procedures in place to identify certain direct and indirect U.S. account holders or equity holders. For these purposes the Fund would fall within the definition of a foreign financial institution (“**FFI**”) for the purpose of FATCA.

Each prospective Participant agrees by signing the Subscription Form to provide such information upon request from the Fund Manager or the Administrator. If a fund fails to satisfy such obligations or if a participant of a fund fails to provide the necessary information to such fund, as applicable, payments of U.S. source income and payments of proceeds will generally be subject to a 30 per cent withholding tax.

The Fund may exercise its right to completely redeem a participant that fails to provide the Fund or the Administrator with the requested information in order for the Fund to satisfy its FATCA obligations, and the Fund may take any other action deemed necessary in relation to a participant's shares or redemption proceeds to ensure that such withholding is eventually borne by the relevant participant whose failure to provide the necessary information gave rise to the withholding tax. Each prospective Participant in the Fund should consult their own tax advisor regarding the requirements under FATCA with respect to their own situation.

The Fund will endeavour to satisfy the requirements imposed on the Fund by FATCA to avoid the imposition of FATCA withholding tax. However, there can be no guarantee or assurance that the Fund will comply with all the requirements imposed by FATCA. In the event that the Fund is not able to comply with the requirements imposed by FATCA and the Fund does suffer US withholding tax on its investments as a result of non-compliance, the Net Asset Value may be affected and the Fund may suffer loss as a result.

The Common Reporting Standard

The Netherlands is one of multiple jurisdictions which have agreed to the automatic exchange of financial account information on the basis of the standard published by the Organisation for Economic Co-operation and Development (the “**Common Reporting Standard**” or the “**CRS**”). Financial institutions resident in jurisdictions which have agreed to the CRS, should report certain account holder information to their local tax authorities who will then exchange such information with countries where account holders are tax residents. It can provide timely information on non-compliance where tax has been evaded, particularly where tax administrations have had no previous indications of non-compliance.

For the purposes of efficiency, the CRS was deliberately built on the framework of FATCA and replicates many of its principles, although there is no withholding tax regime or requirement for reporting financial institutions to register with Foreign Tax Authorities (as defined below). Furthermore, certain CRS client classification, due-diligence and reporting requirements differ from or are more expansive to those deriving from FATCA. Further inter-governmental agreements will therefore be entered into with other third countries by the Dutch government from time to time to

enable reporting to such third countries' tax authorities ("**Foreign Tax Authorities**") as provided in the CRS.

By investing or continuing to invest in the Fund, Participants shall be deemed to acknowledge

that:

- a) the Fund is considered to (i) be a reporting financial institution under the CRS and the Fund (or its agent) will be required to disclose to the competent tax authority of the Netherlands certain confidential information in relation to the Participant, including but not limited to the Participant's name, address, tax identification number (if any), social security number (if any) and certain information relating to the Participant's investment;
- b) the competent tax authority of the Netherlands will be required to automatically exchange information as outlined above with the Foreign Tax Authorities;
- c) the Fund (or its agent) will be required to disclose to the Foreign Tax Authorities certain confidential information when registering with such authorities and if such authorities contact the Fund (or its agent directly) with further enquiries;
- d) the Fund may require the Participant to provide additional information and/or documentation which the Fund will be required to disclose to the competent tax authority of the Netherlands;
- e) in the event a Participant does not provide the requested information and/or documentation, whether or not that actually leads to breach of the applicable laws and regulations by the Fund, a risk for the Fund or the Fund's Participants being subject to withholding tax or penalties under the relevant legislative or inter- governmental regimes, the Fund reserves the right to take any action and/or pursue all remedies at its disposal including, without limitation, compulsory redemption or withdrawal of the Participant concerned;
- f) no Participant affected by any such action or remedy shall have any claim against the Fund (or its agent, including the Administrator) for any form of damages or liability as a result of actions taken or remedies pursued by or on behalf of the Fund in order to comply with the CRS, any further inter-governmental agreements or any of the laws and regulations related to the CRS; and
- g) all information to be reported under CRS will be treated as confidential and such information shall not be disclosed to any persons other than the competent tax authority of the Netherlands and the Foreign Tax Authorities or as otherwise required by law.

Participants should ensure that their tax affairs are compliant with the laws and regulations applicable in their jurisdiction(s) of residence and/or citizenship (as applicable).

11 DISTRIBUTIONS

11.1 Distributions Policy

As primary Fund Objective of the Fund is to achieve capital growth. Frequent and regular distributions of Net Proceeds (including dividend distributions) by the Fund are not intended nor anticipated. However, the Fund Manager may, at its sole discretion and at any time, decide to distribute any Net Proceeds. It is expected that the Fund Manager will especially do so if the Fund Manager is of the opinion that there are no sufficient suitable investment opportunities to achieve the Fund Objectives of the Fund. All distributions (including profit distributions) to the Participants will be made pro rata to the number of Participations held by each Participant.

Any distribution (including profit distributions) to the Participants, including the amount, composition and manner of payment, shall be published on the Fund Manager's website.

11.2 Form of Distributions

Distributions of Net Proceeds (including profit distributions) will be made in cash, in Euro to the holders of Class A Participations and in USD to the holders of Class B Participations.

12 DUTCH TAXATION ASPECTS

12.1 Introduction

The following summary of certain Dutch taxation matters is based on the laws and practice in force as of the date of this Prospectus and is subject to any changes in law and the interpretation and application thereof, which changes could be made with retroactive effect. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a Participant, and does not purport to deal with the tax consequences applicable to all categories of Participants. The tax and other matters described in this Prospectus do not constitute, and should not be considered as, legal or tax advice to prospective Participants. Participants should consult their professional advisers on the tax consequences of their acquiring, holding and disposing of the Participations.

12.2 Taxation of the Fund

The Fund qualifies as a transparent or “closed” fund for joint account Dutch tax purposes, since Participations can only be transferred to the Fund itself since according to the Terms and Conditions, a transfer of Participations is not possible (reference is made to article 17 of the Terms and Conditions) and Participations can only be redeemed by the Fund (i.e., on the basis of article 15 of the Terms and Conditions).

Consequently, pursuant to article 2(2) CITA the Fund does not qualify as a taxable entity. Tax is therefore levied on the results and revenue of the investment at the level of the Participants and not at the level of the Fund itself. This implies that for Dutch tax purposes the Fund’s results are directly allocated to the individual Participants in accordance with the size (and, if applicable, the duration) of their pro rata investment.

12.3 Withholding Taxes

Distributions by the Fund are not subject to Dutch dividend withholding tax as a consequence of its transparency for tax purposes. Due to its transparency, the Fund itself is not entitled to any credit or refund of Dutch dividend withholding tax or (non-reclaimable) foreign withholding taxes withheld on dividends and interest received, nor can the Fund claim any benefits under a tax treaty concluded by the Netherlands with other states.

The tax transparency of the Fund also implies that any dividend withholding tax and foreign withholding taxes withheld on its investments are allocated to the Participants, *i.e.*, on a pro rata basis. In principle, such withholding taxes may be set off by the Participants, whereby the conditions that apply are the same as would be the case for a direct investment (pro rata) by the relevant Participant.

Several countries¹ have confirmed that they will disregard a Dutch tax transparent mutual fund for withholding tax purposes.

¹ Including Australia, Austria, Belgium, Denmark, Ethiopia, Germany, Norway, South Africa, Switzerland, Taiwan, the United Kingdom and the United States.

12.4 The Participants

12.4.1 *Individuals*

Pursuant to the 2001 Personal Income Tax Act (*Wet inkomstenbelasting 2001*), an individual who is resident of the Netherlands and whose interest in the Fund should not be attributed to an enterprise or considered to be miscellaneous activities (*overige werkzaamheden*), is taxed on the basis of a deemed yield on the value of his or her pro rata share in the investments of the Fund, which is determined on the basis of the fair value of these investments as per 1 January of any year. The individual is deemed to realize a 4% return on this value, which is taxed at a flat rate of 30%. The actual income received is not subject to tax.

If the Participations are either allocated to the individual's enterprise or where the investment in the Participations is considered to be a miscellaneous activity, the results will be taxed at a progressive rate with a maximum of 52%. Furthermore, a mark to market rule applies, on the basis of which the Participant has to report his or her interest in the Fund at fair value on the tax balance sheet at every year-end. As a result, (unrealized) capital gains are immediately taxed. In case the Participant holds any Participations via a separate entity, the Participant may have to report his or interest in that separate entity at fair value annually.

For the purpose of this Prospectus, it is assumed that none of the Participants will hold a substantial interest (*aanmerkelijk belang*) in any fund or company in which the Fund invests. This would generally be the case if, on a pro rata basis, that Participant (either alone or together with his/her spouse/tax partner) would hold an interest of 5% or more in that fund or company.

12.4.2 *Dutch corporate Participants*

Participants that are incorporated legal entities which are subject to Dutch corporate income tax and to which no special regime applies, must include their pro rata share of the income from the investments made by the Fund in their taxable result. Moreover, these Participants must report their pro rata share of the investments made by the Fund at fair value on their tax balance sheet at year-end. The statutory corporate income tax rate amounts to 25.0% (20.0% for the first EUR 200,000 of income) in 2014.

13 POLICY REGARDING VOTING RIGHTS AND VOTING CONDUCT INVESTEE FUNDS

The Fund Manager shall on behalf of the Fund, in its capacity of the holder of Investee Funds Interests, attend the general meetings of shareholders/limited partners/members of the Investee Funds and any relevant sole class or category meetings and shall exercise the voting rights attached to such Investee Funds Interests while taking into account the Fund Objective.

1 DEFINITIONS

- 1.1 In these Terms and Conditions, except where terms are expressly defined herein, capitalized terms shall have the same meaning given to them in the Prospectus of Windmill Trend Evolution Fund.
- 1.2 Reference in these Terms and Conditions to any law, statute or statutory instrument or governmental regulation shall be deemed to include any modification, amendment, extension or re-enactment thereof.
- 1.3 References in these Terms and Conditions to "persons" are references to companies, corporations, unincorporated associations, partnerships, all other (corporate) entities (*rechtspersonen*) as well as individuals and natural persons (*natuurlijke personen*).
- 1.4 In these Terms and Conditions the masculine shall include the feminine and the neuter and the singular shall include the plural and vice versa as the context shall admit or require.
- 1.5 In these Terms and Conditions the headings used are for ease of reference only and shall not be deemed to form any part of these Terms and Conditions.

2 NAME, LEGAL FORM, TAX AND REGULATORY STATUS

- 2.1 The name of the Fund is: Windmill Trend Evolution Fund.
- 2.2 The Fund is a fund for joint account (*fonds voor gemene rekening*) organised and existing under the laws of the Netherlands.
- 2.3 The Fund is an investment fund (*beleggingsfonds*) as referred to in article 1:1 of the FSA. The Fund Manager is in possession of an AFM license as referred to in article 2:65(a) FSA, and as a consequence may offer the Fund to professional and non-professional investors within the Netherlands. The Fund Manager is subject to conduct of business and prudential supervision by the AFM and DNB.
- 2.4 The Fund is under Dutch law not a legal entity nor a partnership, commercial partnership or limited partnership (*maatschap, vennootschap onder firma or commanditaire vennootschap*), but a contractual arrangement *sui generis* between the Fund Manager, the Legal Owner and each of the Participants separately, governing the assets and liabilities acquired or assumed by the Fund Manager or the Legal Owner for the account and risk of the Participants.
- 2.5 These Terms and Conditions form part of the contractual relationship existing between the Fund Manager, the Legal Owner and each Participant (separately) originating from the execution of the Participant's Subscription Form.
- 2.6 These Terms and Conditions do not form an agreement between any or all Participants among themselves and are not (otherwise) aimed at any cooperation among or between any or all Participants and no provision of these Terms and Conditions shall constitute or be interpreted as constituting any right or obligation existing between any or all Participants vis-à-vis each

other or as a cooperation agreement (*samenwerkingsovereenkomst*) between the Fund Manager, the Legal Owner and any of the Participants.

- 2.7 A Participant's obligation to pay a consideration for Participations is a commitment (*verbintenis*) to the Legal Owner (represented by the Fund Manager) only. This commitment is no contribution (*inbreng*) or commitment to make contribution to any partnership.
- 2.8 The Fund qualifies as a transparent or "closed" fund for joint account Dutch tax purposes, since Participations can only be transferred to the Fund itself since a transfer of Participations is not possible. Consequently, the Fund does not qualify as a taxable entity. Tax is therefore levied on the results and revenue of the investment at the level of the Participants and not at the level of the Fund itself. This implies that for Dutch tax purposes the Fund's results are directly allocated to the individual Participants in accordance with the size (and, if applicable, the duration) of their pro rata investment.

3 TERM

The Fund is formed for an indefinite period of time but shall terminate upon the occurrence of any of the events set forth in Article 24.1.

4 FUND OBJECTIVE, INVESTMENT STRATEGY, INVESTMENT RESTRICTIONS

- 4.1 The Fund's objective is to achieve medium-term capital gains for the Participants.
- 4.2 To achieve the Fund Objective, the Fund will primarily invest in AHL Shares issued from the AHL Fund and may acquire interests in other Investment Funds mainly focussed on innovative systematic strategies that invest outside the mainstream markets. The Fund may also hold cash and cash equivalents.
- 4.3 If the Fund holds investments denominated in currencies other than the Euro, this entails a foreign exchange risk. The Fund Manager may therefore hedge foreign exchange risks if it considers this to be in the interest of the Fund.
- 4.4 Article 4:37(c)(5) FSA contains certain requirements for feeder AIFs within the meaning of article 4.1(m) of the AIFMD. Therefore, the Fund Manager shall not (i) invest 85% or more of the assets of the Fund in units or shares of (a) any one (1) Investment Fund, or (b) more than one (1) Investment Fund where such Investment Funds have identical investment strategies; or (ii) otherwise have an exposure of at least 85% of the assets of the Fund in any one (1) Investment Fund, unless it would believe to still be acting in compliance with article 4:37(c)(5) FSA, for instance if:
- 4.4.1 following such investment or exposure the Fund shall not fall under the definition of a feeder AIF within the meaning of article 4.1(m) of the AIFMD; or
- 4.4.2 the competent authorities so confirm.
- 4.5 The Fund Manager is not allowed to lend any of the Fund Assets to a third party or borrow money against such assets, except for bridge financing purposes.

5 MANAGEMENT AND ADMINISTRATION, LIABILITY OF THE FUND MANAGER

- 5.1 The Fund Manager is charged with the management and administration of the Fund. The Fund Manager is, subject to these Terms and Conditions, entitled and authorised (i) to acquire (*verkrijgen*) and to dispose of (*beschikken over*) Fund Assets and to enter into and assume Fund Obligations in the name of the Legal Owner for the account and risk of the Participants, and (ii) to perform any and all other acts in its own name or in the name of the Legal Owner for the account and risk of the Participants which are reasonably necessary for or conducive to the attainment of the Fund Objectives. The Fund Manager's authority to act in the Legal Owner's name shall be subject to a power of attorney granted to the Fund Manager.
- 5.2 In the performance of its obligations and in the exercise of its rights, powers and authorities hereunder, the Fund Manager shall exercise the standard of care, skill, prudence and diligence under the circumstances then prevailing that a prudent (*zorgvuldig*) person acting in a like capacity and familiar with such matters would use in the conduct of managing an investment fund of like character, risk profile and Fund Objectives as the Fund, having regard to the provisions hereof.
- 5.3 In managing and administering the Fund, the Fund Manager shall act solely in the interest of the Participants. The management and administration of the Fund shall be performed for the account and risk of the Participants. Benefits and/or losses resulting therefrom shall consequently be for the benefit of or be borne by the Participants, without prejudice to the provisions of Article 11.3.
- 5.4 The Fund Manager shall only be liable towards the Participants for a loss suffered by them in connection with a breach of Fund Manager's duties and responsibilities under the Fund Documents that is attributable to it (*toerekenbare tekortkoming in de nakoming*).
- 5.5 The Fund Manager may contract other third parties in the exercise of its powers and duties under these Terms and Conditions and shall exercise reasonable prudence (*zorgvuldigheid*) in the selection of such third parties.

6 AUTHORITY TO INVEST AND ADMINISTER

- 6.1 Subject to the Fund Objective, the Investment Strategy, the Investment Restrictions and this Article 6, the Fund Manager may invest in any eligible assets and assume eligible obligations. The determination of the Fund Manager as to whether or not the assets and obligations are of a type which may be acquired or held by or on behalf of the Fund in view of the Fund Objective, Investment Strategy and Investment Restrictions shall be conclusive.
- 6.2 It is the intention that subject only to the Investment Strategy and the Investment Restrictions and the specific restrictions mentioned herein, the Fund Manager shall have the broadest power and authority in making investments consistent with the investment powers herein provided. The Fund Manager shall have sole discretionary power to retain for as long a period as it shall think proper and to manage, convert, exchange, transfer and dispose of the Fund Assets and Fund Obligations. The Fund Manager shall have and may exercise every right and

privilege pertaining to management provided that the exercise of such right or privilege is consistent with these Terms and Conditions.

7 CONFLICTS OF INTEREST

7.1 The Fund Manager (with respect to the Fund) will not, directly or indirectly:

7.1.1 enter into any investment, divestment or other business transaction (including, but not limited to, the hiring of service providers as referred to in Article 5.5) with the Fund Manager, the Legal Owner, any Participant or any of its or their Affiliates;

7.1.2 enter into any investment, divestment or other business transaction at non-arm's length terms and conditions; or

- 9.1 All Fund Assets shall be legally owned by and will be administered in the name of the Legal Owner. All Fund Obligations shall be assumed by the Legal Owner as debtor. All agreements of the Fund shall be entered into in the name of the Legal Owner.
- 9.2 The Legal Owner shall acquire and hold the Fund Assets for the purpose of management and custody (*ten titel van beheer en bewaring*) for the account and risk of the Participants and will receive any income and proceeds on or originating from Fund Assets paid to it by a custodian or the underlying obligor in a capacity of agent, nominee or otherwise on behalf and for the benefit of the Participants.
- 9.3 The Legal Owner shall assume the Fund Obligations in its own name for the account and risk of the Participants, as qualified by these Terms and Conditions and without prejudice to the provisions of Article 11.3.
- 9.4 The Legal Owner shall ensure that with respect to the Fund Obligations assumed and contracts entered into in the name of the Legal Owner, it shall be explicitly stipulated that (i) the Legal Owner is acting in its capacity as Legal Owner of the Fund, and, unless the Legal Owner deems such statement in a specific contract not feasible, immaterial and/or not in the interests of the Participants, that (ii) the counterparty or counterparties undertake(s) to never seek recovery on anything other than the Fund Assets.

10.1.2 upon the provision of sixty (60) calendar days' notice to the Fund Manager and Administrator,

it being understood that no resignation of the Legal Owner shall be effective before the appointment of a successor legal owner, whether or not on a temporary basis, in accordance with the provisions of Article 10.2 has become effective.

10.2 Following or in anticipation of the resignation of the Legal Owner, the Participants shall no later than ten (10) Business Days after the date of occurrence of the event causing the resignation by resolution taken by Ordinary Consent appoint a substitute legal owner. As long as no successor legal owner has been appointed, the person or entity designated for that purpose by the Fund Manager shall temporarily act as legal owner of the Fund.

10.3 The Legal Owner hereby commits itself to cooperate fully in the transfer of its contractual position and all Fund Assets and Fund Obligations held by or registered in the name of the Legal Owner to a successor legal owner. In particular, the Legal Owner hereby (i) commits in advance to transfer all Fund Assets and Fund Obligations to the successive legal owner and to carry out all necessary in rem acts and other acts, and (ii) grants irrevocable power of attorney to the Fund Manager to in its name perform all acts referred to in or conducive to what is stated sub (i) of this Article 10.3.

11.2 Each Participant shall be bound by and subject to these Terms and Conditions by submitting a signed Subscription Form to the Fund Manager. Each Participant will be provided with a copy of these Terms and Conditions.

11.3 The liability of a Participant vis-à-vis the Fund will be limited to the amount of the Total Subscription Amount due by the Participant in respect of its Participations to the extent not previously paid to the Legal Owner, but notwithstanding its liability by virtue of the law and these Terms and Conditions for its default on any of its obligations under these Terms and Conditions and its Subscription Form. The Participants shall not be liable for the Fund Manager's obligations, the Legal Owner's obligations or the Fund Obligations.

12 MEETINGS OF PARTICIPANTS, RESOLUTIONS OF PARTICIPANTS

12.1 Meetings of Participants will only be held when called by the Fund Manager. The Fund Manager must call a meeting of Participants (i) as often as the Fund Manager deems necessary in the interest of the Participants, and (ii) in case one (1) or more Participants holding, in total, at least 25% of the outstanding Participations request the Fund Manager in writing to call and hold such meeting, stating the matters to be placed on the agenda for such meeting, in which case the meeting must be held within fourteen (14) days after the date of the request.

12.2 The agenda for a meeting of Participants shall be determined at the sole discretion of the Fund Manager or, as the case may be, the Participant(s) who requested the Fund Manager to hold the meeting in accordance with the second sentence of Article 12.1. No valid resolutions can be taken on subjects not mentioned on the agenda unless such resolution is taken by unanimity of votes of all Participants.

12.3 Notice for a meeting of Participants will be published on the Fund Manager's website and sent to the (e-mail) addresses of the Participants in accordance with the provision of Article 27.1 at least fourteen (14) days prior to the date of the meeting of Participants. Such notice will state the date, time, place and location and the agenda for the meeting and enclose any documents relevant for the meeting.

12.4 With any request of the Fund Manager for consent or approval by the Participants, the Fund Manager will prepare a memorandum providing background information on the matter. The memorandum will be sent to the Participants not later than simultaneously with the convocation.

12.5 A Participant may participate in a meeting by telephone. Meetings of Participants may be held by conference call unless a majority of the Participants in a specific case oppose against the holding of the meeting by conference call. Resolutions taken at such meeting need after the meeting to be confirmed in writing by the applicable majority of Participants in order to be valid.

12.6 A Participant may authorise (*volmachtigen*) another Participant or other person to attend a meeting of Participants (or participate in a meeting of Participants by telephone), to address the meeting and to vote at the meeting provided that the relevant power of attorney is validly set forth in a written document submitted prior to the meeting to the chairman of the meeting.

12.7 The Fund Manager shall appoint a chairman of the meetings of Participants unless the meeting is called at the request of one or more of the Participants in which case the requesting

Participant(s) shall appoint the chairman of the meeting. The chairman shall be responsible for determining the procedure to be adopted for the conduct of any meeting of Participants.

- 12.8 Each Participant may cast one (1) vote per Participation. Blank votes will be deemed not to have been cast.
- 12.9 The Fund Manager or such other person designated by the chairman of the meeting shall record all votes taken during conference calls or at meetings of Participants and maintain a copy of consents obtained in writing, by facsimile, or by e-mail. Detailed voting records should promptly be made available by the Fund Manager to any Participant upon request.
- 12.10 The Fund Manager, or such other person designated by the chairman of the meeting will keep minutes of the meetings of Participants. The draft minutes will be distributed to all Participants within thirty (30) days after the date of the meeting and submitted for approval at the next meeting of Participants.
- 12.11 The Participants may also adopt resolutions outside a meeting, or in a meeting for which notice was given less than fourteen (14) Business Days prior to the meeting date, in which case resolutions shall be adopted in writing, provided that the proposed resolutions are submitted to all Participants and none of them objects to the proposed manner of adopting resolutions.

13 PARTICIPATIONS, REGISTER

- 13.1 Participations are rights registered in the name of the Participants. Participation certificates shall not be issued.
- 13.2 The Fund shall have two (2) classes of Participations, Class A Participations and Class B Participations. All Classes provide exposure to the same Investment Objective and Investment Strategy. The sole difference between the different Classes is the currency of the Participations the Participants can subscribe for. Prospective Participants can subscribe for Class A Participations in EUR and for Class B Participations in USD. Because the base currency of the Fund is the Euro, this entails a foreign exchange risk for the holders of the Class B Participations. The Fund Manager intends to hedge foreign exchange risks. Any profits or losses of currency hedges shall be allocated to the holders of the Class B Participations.
- 13.3 The Administrator shall keep the Register, specifying the name and address of each Participant, the number of its Participations and the Class of each of its Participations and the relevant Subscription Date. The Fund Manager shall sign all entries to the Register.
- 13.4 The Administrator and the Fund Manager may rely on the accuracy of the information provided by each Participant for inclusion in the Register and treat such information as conclusive with respect to such Participant and its entitlement to its Participations. The Administrator and the Fund Manager shall not be bound:

- 13.4.1 by any change in such information which has not been notified to the Administrator in accordance with Article 13.5 hereof; or
 - 13.4.2 to recognise any interest or claim of any person to a Participation other than those of the Participant duly registered in the Register as holder of these rights.
- 13.5 Each Participant shall notify the Administrator promptly by written notice of any change in the information included in the Register in relation to such Participant. The Administrator shall upon receipt of such notice cause the Register to be amended accordingly within ten (10) Business Days.
- 13.6 Upon written request to that effect by the Participant to the Fund Manager, the Register shall be available at the Fund Manager's office for the inspection of each Participant on Business Days, but only in so far as it concerns the Participant's own entry. Any costs related hereto shall be charged to the relevant Participant.
- 13.7 The Fund Manager may provide information included in the Register to tax, regulatory or other authorities if, in the Fund Manager's reasonable opinion, this is required, necessary, conducive to or in the interest of the Legal Owner, the Fund or any of the Participants, including but not limited for the application of tax treaties between the jurisdiction of source of any income or gain and the jurisdiction of residence of a Participant respectively the Netherlands. Each Participant shall at the written request of the Fund Manager provide the Fund Manager with such information and documentation as the Fund Manager may in all reasonableness require from the Participant in support of the Fund Manager's duty and right referred to in the preceding sentence.

14 SUBSCRIPTIONS

- 14.1 The Fund Manager may at its sole discretion, but notwithstanding the further provisions of these Terms and Conditions, resolve to issue new Participations at the request of a new or existing Participant set forth in a Subscription Form or decide to temporarily discontinue or indefinitely stop the issuance of Participations.
- 14.2 The price of issuance of a Participation shall be equal to the Subscription Price. The Fund Manager shall determine the Total Subscription Amount due by the subscriber and the further conditions of the issuance.
- 14.3 In the Subscription Form as completed by a subscribing investor shall amongst others be set forth the Total Subscription Amount for which the subscriber requests issuance of Participations. The Fund Manager may at its sole discretion resolve to refuse or to only partly accept a subscription for Participations.
- 14.4 Applications for Participations should be made by submitting a duly signed and completed Subscription Form to the Administrator not later than 17:00 CET on the Business Day falling at least ten (10) Business Days before the relevant Subscription Date as per which the applicant wishes to receive Participations. Subscription Forms not received in time will be held over until the following Subscription Date. Completed applications are irrevocable once received by the

Administrator and the Total Subscription amount has been received in the bank account of the Legal Owner.

- 14.5 Participations shall be issued by the Legal Owner and acquired by the Participants on Subscription Dates but the Participations subscribed for will not be issued if the Total Subscription Amount due by the subscriber has not been received by the Legal Owner.
- 14.6 Immediately upon the completion of the issuance of new Participations, the Fund Manager shall procure that the appropriate entries are made in the Register.
- 14.7 The AHL Fund has a minimum initial subscription requirement in the EUR equivalent amount of USD 1,000,000 and a minimum additional subscription requirement in the amount of at least the EUR equivalent amount of USD 100,000. Other Investee Funds might also have such minimum subscription requirements. Therefore, the Fund Manager may in its sole discretion warehouse and hold in cash the relevant Total Subscription Amounts for a period of time during which a minimum subscription requirement at the level of an Investee Fund has not yet been met by the Fund.

15 REDEMPTION OF PARTICIPATIONS

- 15.1 The Fund Manager is obliged to, subject to this Article 15 and the further provisions of these Terms and Conditions, redeem Participations at the request of a Participant set forth in a Redemption Notice. Redemption notices not received in time will be held over until the following Redemption Date. Completed Redemption Notices are irrevocable once received by the Administrator.
- 15.6 The Total Redemption Amount will be paid to the redeeming Participant within eleven (11) Business Days after the applicable Redemption Date, provided that the Fund has received the redemption proceeds from the relevant Investee Fund, unless exceptional circumstances occur, in which case the Total Redemption Amount will be paid at the earliest possible Business Day thereafter.

- 15.7 Requests for redemption may be refused in case anti-money laundering verification procedures so require.
- 15.8 The Legal Owner and the Fund Manager may suspend redemption of Participations if:
- 15.8.1 the determination of the Net Asset Value has been suspended in accordance with Article 20.3;
 - 15.8.2 the transfer of funds realised from the sale of Fund Assets cannot, in the sole opinion of the Fund Manager, be effected at normal rates of exchange;
 - 15.8.3 relevant exchanges are not open for business or the sale of Fund Assets is otherwise restricted or suspended;

- 16.1 The Fund Manager and the Legal Owner shall be entitled to redeem all (but not part of) the Participations of any Participant:

- 16.1.1 if the Participant is dissolved, becomes insolvent, is unable to pay its debts, institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy, any other relief under any bankruptcy, insolvency or similar law;
 - 16.1.2 if in the Fund Manager's reasonable opinion the tax position of the Legal Owner, the Fund or any of the other Participants is or will become negatively affected due to the tax status or position or any change therein of the relevant Participant or any other circumstance concerning such Participant;
 - 16.1.3 if, for whatever reason, the continuation of the relationship cannot reasonably be expected from the Fund Manager and/or Legal Owner; or
 - 16.1.4 if the management board of an Investee Fund proceeds with compulsory redemption of the relevant Investee Funds Interests.
- 16.2 Each Participant agrees that it shall immediately notify the Fund Manager if any status, position or change therein as referred to in Article 16.1.1 occurs in its respect or if it becomes aware of circumstances in all reasonableness qualifying as circumstances as referred to in Article 16.1.2 or Article 16.1.3 in its respect.

Any changes to the Management Fee are subject to prior approval of the Fund Manager and the Legal Owner.

ANNEX 2 TO THE SUBSCRIPTION FORM
CLIENT VERIFICATION REQUIREMENTS FORM

**ANNEX 3 TO THE SUBSCRIPTION FORM
SELF-CERTIFICATION FORM**

SCHEDULE 3
ANTI-MONEY LAUNDERING OBLIGATIONS OF THE FUND

Pursuant to the Wwft, a “client investigation” (*cliëntenonderzoek*) needs to be conducted by the Fund Manager with respect to each applicant Participant prior to their entering into the Fund.

In general terms, the purpose of the “regular” Wwft client investigation is to:

- (i) establish and lay down the purpose and the nature of the envisaged business relationship, which must be documented, and subsequently (to the extent possible) “monitor” the consistency of the information so laid down with the actual (increased) knowledge the Fund Manager has of the Participant. When doing so, the Fund Manager may take into account the actual profile type of the client;
- (ii) establish the identity of the applicant Participant and verify the identity so obtained on the basis of “reliable sources”; in addition, if the applicant investor is a trustee, establish the identity of the settlors of the trust; the documentation on the basis of which the identification and verification has occurred must be retained;
- (iii) (if applicable) establish and verify the identity of any ultimate beneficiary owner of the applicant Participant, being:
 - (a) natural person holding a 25% or more participating interest in the Participant or 25% or more of the voting rights in the Participant, or who is otherwise factually able to exercise a decisive influence in the Participant; or
 - (b) in the event that the Participant would consist of a trust or foundation, a person being, either directly or indirectly, the beneficiary of 25% or more of such trust or foundation's assets or having direct or indirect control over 25% or more of such assets;
- (iv) if the applicant Participant has an ultimate beneficiary owner as described under (iii), to establish and verify such ultimate beneficiary owner's identity.

In certain cases, a “simplified” client investigation suffices (e.g. for applicant that are listed companies, credit institution, financial service providers, collective investment schemes, investment firms, insurance undertakings based in the Netherlands, the European Union, Argentina, Australia, Brazil and several other countries). It is sufficient to establish and lay down the purpose and the nature of the envisaged business relationship and to retain a reliable document evidencing that the relevant applicant Participant falls under one of the categories for which a “simplified” client investigation applies.

In other cases (e.g. increased risk of money laundering or terrorism financing, applicant is a “Politically Exposed Person”, client is a natural person that is not present for identification purposes), an “extended” client investigation must be performed. In that case, extensive verification and monitoring requirements apply.

The Legal Owner shall be liable towards the Participants for any loss suffered by any Participant as a result of any act or omission of a third party which the Legal Owner has entrusted with any of the Fund Assets.
- (c) The Legal Owner shall not, under any circumstances whatsoever, be liable for indirect or consequential damages. Each party shall have the duty to mitigate damages for which the other party may become responsible.

- (f) Any liability of Legal Owner shall be limited to the amount paid-out in the relevant case by the professional liability insurance of Legal Owner. If the insurer makes no payment under the insurance, the liability of Legal Owner shall be limited to an amount which will not exceed the aggregate amount of fees paid for such part of the services that gave rise to the claim over a period of 12 (twelve) months prior to the occurrence of such damage, subject to a maximum of EUR 50,000 (fifty thousand euro). This limitation applies per year in the aggregate and not per Claim.

In any event, all claims against Legal Owner shall lapse 12 (twelve) months after the act (or omission) that caused the damage.
- (h) The Legal Owner shall not be liable towards the Fund, the Fund Manager or the Participants for activities conducted or services rendered by third parties to the Fund (except third party which the Legal Owner has entrusted with any of the Fund Assets), the Fund Manager or the Participants or for any fees due to third parties for services rendered to the Fund, the Fund Manager or the Participants.

12. INDEMNITIES

12.1 Indemnity

- (b) This indemnity shall apply in favour and for the benefit of the Legal Owner, its successors and any such other person as aforesaid notwithstanding that there may be some defect in their or his appointments, qualifications or authority, as a trust in their respective favours and so as to be enforceable by each of them against the Fund Manager.
- (c) The indemnity shall continue in full force and affect notwithstanding any transfer of shares in the capital stock of the Fund Manager or the beneficial ownership thereof, until a new and similar undertaking has been entered into which in the opinion of the Legal Owner, is equivalent to the present indemnity. In that case the present indemnity will be terminated as from the date of the new undertaking.
- (d) The termination of this agreement or of the appointment of the Legal Owner or any person as aforesaid shall not relieve the Fund Manager of the obligation – hereby created – to indemnify with respect to acts or omissions of any or all of them occurring prior to such termination.

12.2 Fees, remunerations and/or expenses due and payable by the Fund

The Fund Manager hereby agrees that notwithstanding the provisions of this Agreement it will be jointly and severally liable with the Fund for payment of any fees, remunerations and/or expenses due and payable by the Fund to the Legal Owner, its affiliates or employees.

13.2 Inspection

If the Legal Owner receives any request or demand for the inspection of any records in their possession, the Legal Owner will endeavor to notify the Fund Manager, unless in the reasonable opinion of the Legal Owner such notification would result in a breach of any applicable law, order or regulation to which the Legal Owner and/or the Fund is subject.

14. TERM AND TERMINATION

14.1 Termination

This Agreement shall continue in full force and effect unless and until terminated by either party giving to the other not less than 90 (ninety) days' prior written notice (or such shorter notice as that other party may agree to accept) provided that this Agreement may be terminated forthwith by notice in writing by:

- (a) either party if the other party goes into liquidation (except a voluntary liquidation for the purpose of reconstruction or amalgamation upon terms previously approved in writing by the other party) or if a receiver is appointed over any assets of the other party; or

suspicion of fraudulent or criminal activities of the Fund Manager or any of its affiliates.

The parties' respective obligations hereunder shall survive any termination of this Agreement. Termination of this Agreement does not affect the rights of the parties accrued prior to such termination.

14.2 Rights and obligations on termination

- (a) On the termination of this Agreement under this Clause 14 the Legal Owner shall be entitled to receive all fees and other monies accrued due up to the date of such termination.
- (b) In addition, the Fund must pay all reasonable costs and expenses of the Legal Owner performing its obligations in respect of the termination of its services. The amount payable by the Fund for the Legal Owner to perform the services and obligations provided for under this Clause is an amount equal to all expenses and liabilities reasonably incurred by the Legal Owner in performing those services and obligations and includes the costs of closing the Legal Owners' records maintained for the Fund. The amounts payable under this paragraph (b) shall be payable within 10 (ten) Business Days or upon receipt of an invoice from the Legal Owner.
- (c) Any Clause which expressly or impliedly has an effect after the termination, rescission or expiration of the Agreement will continue to be enforceable notwithstanding termination, rescission or expiration. This applies in any event for this Clause 14.2 (c) and Clauses 11, 12 and 14.3 hereof.

14.3 Transfer of records and assets on retirement from office

Subject to receipt by the Legal Owner of all fees, expenses and other monies accrued under Clause 14.2 in full, the Legal Owner shall deliver to the Fund or Fund Manager as it may direct all records (save as provided herein) and shall take all necessary steps to vest in the successor Legal Owner any assets previously held in the name of or to the order of the Legal Owner on behalf of the Fund. The services provided by the Legal Owner on termination may include copying and moving or shipping records and material to any successor service provider(s) to the Fund and providing any reasonable assistance to any such successor service provider(s). Pending payment of any outstanding fees, expenses and other monies due to the Legal Owner under this Agreement, the Legal Owner shall have a lien over, and shall be entitled to retain, all such books and records of the Fund as security for all such outstanding fees and other moneys due to the Legal Owner.

15. FORCE MAJEURE

Notwithstanding any other provision contained in this Agreement, neither party shall be liable for any action taken, delay or any failure to take any action required to be taken hereunder or otherwise to fulfil its obligations hereunder (including without limitation the failure to receive or deliver securities or the failure to receive or make any payment) in the event and to the extent that the taking of such action, delay or such failure arises out of or is caused by or directly or indirectly due to war, acts of terrorism, insurrection, riots, labour disputes, civil commotion, act of God, accident, fire, water damage, explosion, any law, decree, regulation or order of any

government or governmental body (including any court or tribunal), or any other cause (whether similar or dissimilar to any of the foregoing) whatsoever beyond its reasonable control or the reasonable control of any delegate or securities system. The non-performing party shall use all reasonable efforts to minimise the effect of any force majeure. In any such event, the non-performing party shall be excused from any further performance and observance of the obligations so affected only for so long as such circumstances prevail and such party continues to use commercially reasonable efforts to recommence performance or observance as soon as practicable.
